

A CRIPPLE FOR THREE YEARS

Helpless in Bed With Rheumatism Until He Took "FRUIT-A-TIVES".

MR. ALEXANDER MUNRO. R.R. No. 1, Lorne, Ont. "For over three years, I was confined to bed with Rheumatism. During that time, I had treatment from a number of doctors, and tried nearly everything I saw advertised to cure Rheumatism, without receiving any benefit. Finally, I decided to try 'Fruit-a-tives'. Before I had used half a box, I noticed an improvement; the pain was not so severe, and the swelling started to go down. I continued taking this fruit medicine, improving all the time, and now I can walk about two miles and do light chores about the place." ALEXANDER MUNRO, 60c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

NORFOLK NEWS

POTATO CROP BLIGHTED?

Discouraging Reports Are Prevalent in Norfolk County

Simcoe, July 27.—(From Our Own Correspondent)—Reports came to hand yesterday regarding aphids on potato leaves in this district and our informant states that early varieties appear to suffer most. We cannot say that the setback is general. Cucumber picking is becoming almost general and the vines are reported developing splendidly and setting a record crop. Rev. A. B. Farney Called Out of Town. Rev. A. B. Farney received yesterday a phone message from his sister, Mrs. Tubman, of Elmvale, who she and Dr. McGuire had recently visited, stating that her youngest son, a young man of 22, had been injured on Thursday evening in a mix-up with his team, receiving injuries from which he died early yesterday morning. Mr. Farney left this morning to attend the funeral and Mr. Norman Andrews of Brantford will take morning service at Trinity Church to-morrow. The evening service will be cancelled. J. D. Christie is off on a holiday, having left yesterday. Morton Brown of Simcoe is taking services in the Waterford church in the absence of the rector on vacation. C. W. Butcher, formerly of the Simcoe High School staff, is performing like duties at Port Dover. Press Photographs. Mr. and Mrs. J. C. Boomer and Mr. and Mrs. Ed. Boomer, who have spent the week-end in town with Mr. and Mrs. Harry Martin. Our congratulations to Misses Bertha McKnight, Gladys Quamby and Ethel Andrews on their having successfully passed the Middle School Entrance to Normal examination as students of Simcoe High School. Farmers' Auto Trip. The only report we got of the farmers' observation auto trip of two days out through the Niagara Peninsula, indicated that few joint promoters and that those who did go had a pleasant and profitable outing. The trip, however, came too late, or rather the season this year is too early. Sylvester Palmerston unfortunately kept up his record and had another auto mix-up. No one was hurt.

Kosovo Day and the Serbians

DURING the last week of June the people on this continent joined others in observing the discovery of America.

In 1389 a great battle was fought between the Turks and the Serbs. The Turks won. The day has ever since been observed by the Serbs as a day of mourning. This year Americans helped the Serbs to keep it. It has taken Americans a long time to appreciate what Serbia has meant in history, but they are now beginning to appreciate her. Had it not been for Serbia, Turkey would have overrun Europe as far as Vienna sooner than she did. Had Serbia not been able to withstand the forces of Austria as she did, she would have been overwhelmed sooner than she was—and where she was, it would do the work. Serbia, militarily and economically a prosperous country during the centuries preceding the battle of the plains of Kosovo (plain of the blackbirds), so exhausted the Turks in the Balkans that they did not completely subdue Serbia for seventy years after.

In that battle both the Serbian King Lazar and the Turkish Sultan Murad lost their lives. The legend has it that on the eve of the battle the Serbian King dreamed that he was great earthly possessions as a reward for letting the Turks march through his territory, and he also saw a heavenly crown as a reward for resistance. He chose the latter and hence Kosovo Day has always had deep religious significance to the Serbs. It was appropriate, therefore, that a service was held in the Cathedral of St. John the Divine, of New York City, in which the clergy of the Protestant Episcopal, Presbyterian, Serbian and Russian Churches took part. In his sermon, Dr. Robbins, dean of the cathedral, said: "Kosovo Day voices the cry of a race that more than five hundred years ago suffered martyrdom for freedom. Like Israel, Serbia stood in the way of a great and ruthless conqueror, seeking world dominion, and faced him in the name of freedom and faith. But Israel proved, and Serbia also proves, that there is something in the world stronger than brute force. It is that indestructible thing, the spirit of a nation that remembers. At Kosovo Serbia stood in the face of the Turks, between the Turk and Europe. She fell, but the Turk suffered so heavily that Europe had a breathing space and time to prepare. What Belgium did in the first month of the present war Serbia did on the field of Kosovo." The following day, at a celebration at the Waldorf-Astoria in New York, Serbia was pictured resolutely to the fore by the presence of Serbian khaki uniforms with feathered akouls and caps with coats thrown back from the shoulder so as to display the scarlet shirt. Among other distinguished speakers was the Serbian Minister, Dr. Ljubomir Michaelovitch, who asserted: "The battle of Kosovo taught us the value of liberty and honor above everything else. Our people have again sacrificed all that a nation can sacrifice, but have saved their freedom."

The Minister added: "The liberty and union of the Polish, Czechoslovak, and Yugoslav nations is the surest guarantee of world peace and check to Pan-Germany." It is not only the Serbs of Serbia who are interested in Kosovo Day. The Serbians, about five millions in the Kingdom of Serbia, are but a part of the Yugoslav race, which also includes the Croats and Slovenes from Austria-Hungary. The three factions, together with the Serbs in Bosnia and elsewhere, number about thirteen millions. They stand not only for national independence but also for united endeavor with the Poles and the Czechoslovaks. Among all the Slavs, however, it will always be Serbia that will have peculiar prominence. This is not only because her geographical position barred the way to the Turks in their attempt to extend Greater Germany southward. It is, in the ultimate analysis, because of the spirit of a people that has known how, year by year, to keep Kosovo Day, a day of mourning, as a day of honor.
