

Your Chance

A report on the sugar market says "not since 1846 has a tariff of such importance been brought down in the British House of Commons, as that brought down on the 18th of April.

The question which naturally arises is what effect will this tariff have on sugar in Canada? Just this we are not yet prepared to say, but without doubt sugar is in a very strong position and will probably advance very soon.

The above extract speaks for itself. Personally we cannot add anything that will make it more clear. We do not see how sugar can help but be higher, and that soon. If you decide to buy, come in and see our samples and get prices, you are sure of two things—the best sugar made in the world, and prices as low as we can make them.

F. A., Berlin, stating that no difficulty will be experienced in having the winners of the group play off the finals with the winners of group A, which comprises Stratford, Listowel, Galt and Berlin. The competition must close by June 15.—London Free Press.

SAMUEL WAS SCORCHED

Judge Houston Tells Siddles a Few Facts Concerning His Career.

The ambition to Sport a Bicycle Gets a Colored Maiden into Sad trouble.

"On the charge of indecent assault you could not only be imprisoned, but whipped, and whipped severely. The law so provides."

Such were the words used by Judge Houston in sentencing Sam Siddles, convicted of indecent assault on Mrs. Marble, and of stealing a watch from William Bonnett. "Then you, on your own admission, start for a drug store to get medicine for a sick child and you go twice the distance of the drug store, to a hotel and get into a watch stealing difficulty. Your action was scarcely commendable. One would expect you to go as quickly as possible for the medicine under the circumstances. If I had the slightest idea that I could reform you by suspending your counsel, Mr. Geo. G. Martin's request, and dismiss you on suspended sentence, I would do so, but I haven't, and I will sentence you to 18 months in the Central Prison, on each charge, the terms to run concurrently. I would advise you on coming out to leave your old associates and refrain from drink. I feel sorry for your wife and four weeks' old babe, but I have my duty to the public to perform."

Mrs. Siddles and the baby were in the Central Prison, as he went below took the child from its mother's arms and carried it down stairs.

CHARGE WITHDRAWN.

Martha Ann Parker laid a charge of assault against Sam Siddles, but repented and withdrew the charge, paying \$1 costs.

MAIDEN AND HER WHEEL.

Maria Griffin was charged by Mrs. Morris with stealing \$5. Maria is a colored maiden of fourteen summers and some months. Her mother is dead and her father is away with another wife. Mrs. Morris gave the child a home. Maria wanted a bicycle so she wrote a letter to her foster mother stating that the insurance on some property on Queen street was due. The epistle contained much praise for Maria as a messenger, and was purported to be signed by W. H. Harper. Amongst other things the letter said that if Maria was a boy she was the one that W. H. Harper would hire to carry money.

The letter had been written by the girl and the aged colored woman, who was the one that W. H. Harper would hire to carry money. She went down and paid the money as part payment on a bicycle. Maria pleaded guilty this morning and Judge Houston remanded the girl for a week. He remarked that it used to be said that the desire for fine clothes got girls into trouble, but now the desire for a bicycle was the baneful influence.

"I don't want to send you to the Mercer Reformatory," said the Judge. "There are so many inmates that a young girl is surrounded by influences not always helpful. It would take two or three girls at the head of the Mercer Reformatory to protect the young girls from bad influences. It has been my experience that no good has ever come of sending girls there."

When the Baby Cries at Night

There is a cause for it. Perhaps it is gas on the stomach, may be cramps or diarrhoea. Don't lose sleep, anticipate such contingencies by always keeping handy a bottle of Polson's Nervine. Just a few drops in water given inwardly, then rub the little one's stomach with a small quantity of Nervine, and perfect rest is assured for the night for both mother and baby. You may not need Nervine often but when you do you need it badly. Get a 25c. bottle to-day.

MESSIAH'S VICTOR SONG.

Hark! while down the lengthening ages
Sounds Messiah's victor song:
Of earth's tale of shame and wrong!
Oh, the glory, new, transcending,
Of that first fair Easter morn!
When to weary hearts down-bending
Sprang a joy, of sorrow born.

Toward the rocky cavern hastening,
Where their Lord in death was laid;
Hearts bowed down with sorest chagrin
Pause they, startled, hushed,
Afraid—

List what angel lips are telling—
How the Lord, victorious, blest,
Rolled the stone from that dark dwelling;
Issued forth, his power confessed.
He is risen! He is risen!
Setting free the sons of Time;
Risen! Conqueror, Saviour, risen!
Death obdurate that will subside.
—LILLIAN C. NEVIN.

AT THE THEATRE

"The Man From Mexico" will be presented at the Grand to-night by Walter E. Perkins and his comedy company will furnish a strictly high class offering in comedy and one that will prove most satisfying to critics may be taken as accurate. The play has been a great laughing success in the larger cities during the past two seasons and no that Mr. Perkins has secured the rights to it, he has endeavored successfully to keep it up to the high standard fixed by its production in New York, Boston, Chicago and elsewhere. All the appointments necessary to a high class performance are carried out and the cast has been chosen with care and judgment. To lovers of genuine, hearty and wholly pure fun it offers perhaps the best entertainment of its kind ever given in this city. The cast includes:—Nagle Barry, Donald Brine, Philip Vale Drew, Augustus E. White, John F. Peck, Jerome Harrington, Theo. Johnston, Maud A. Scott, Florence Templeton, Marion Longfellow, Pearl J. Ford.

"On the Suwannee River," which visits Chatham, Wednesday, May 1, is by no means a one night show, Chatham being the third one night stand it has played this season. The other two being Hamilton, and London. It is in Toronto all this week, closing the engagement to-night. This company, which is the original one, is owned by E. D. Stair, of Detroit, whose other company, Ward and Vokes in "The Floorwalkers," is well known to many Chathamites, he and J. H. Havlin having a virtual monopoly of the popular priced houses of the country. Anything bearing the name of E. D. Stair may always be depended upon. He is not to be confounded with F. W. Stair, an entirely different individual, who perpetrated "Who is Who" on us earlier in the season. "On the Suwannee River," carries every stick of scenery used in the production and some of it is said to be very handsome. A feature of the performance is a number of pleasing specialties, including the famous "Clover Leaf Quartette."
