**CUTICURA SOAP**  
The World's Greatest  
Skin Soap.

The World's Sweetest  
Toilet Soap.

Sale Greater than the World's Product  
of Other Skin Soaps.

Sold Wherever Civilization Has  
Penetrated.

Millions of the world's best people  
use Cuticura Soap, assisted by Cuticura  
Ointment, the great skin cure, for pre-  
serving, purifying and beautifying the  
skin, for cleansing the scalp of crusts,  
scabs and dandruff, and the stopping  
of falling hair, for softening, whiten-  
ing and soothing red, rough and sore  
hands, for baby rashes, itchings and  
chafings, for annoying irritations, or  
too free or offensive perspiration, for  
ulcerative weaknesses, and many sanative,  
antiseptic purposes which readily  
suggest themselves to women, espe-  
cially mothers, as well as for all the  
purposes of the toilet, bath and nursery.  
Cuticura Soap combines delicate  
emollient properties derived from Cuti-  
cura, the great skin cure, with the  
purest of cleansing ingredients and the  
most refreshing of flower odours. No  
other medicated soap ever compounded  
is to be compared with it for preserv-  
ing, purifying and beautifying the skin,  
scalp, hair and hands. No other foreign  
or domestic toilet soap, however  
expensive, is to be compared with it for  
all the purposes of the toilet, bath and  
nursery. Thus it combines in one soap  
at one price the most effective skin and  
complexion soap, and the purest and  
sweetest toilet, bath and nursery soap.  
Cuticura Resolvent, Liquid and in the form of Chocolate  
Coated Pills, Cuticura Ointment and Cuticura Soap are  
sold throughout the world. Sole Proprietors, Dr. J. C. Wilson,  
125 N. 2nd St., St. Paul, Minn., U.S.A. Write for  
free book "How to Cure Every Humour."

**THE WORLD'S TALLEST BUILD-  
ING.**

The Park Row building in New  
York is the tallest inhabited build-  
ing in the world. It covers 15,000  
square feet of ground and is thirty  
storeys high. The distance from the  
curbing to the cornice is 336 feet,  
to the top of the towers 390 feet, to  
the top of the flagstaff 447; the  
depth of the foundations below curbing  
is 75 feet, making a total dis-  
tance from the foundations to the  
top of the flagstaff of 552 feet.

**A REMARKABLE RECORD.**

Chamberlain's Cough Remedy has a  
remarkable record. It has been in  
use for over thirty years, during  
which time many million bottles have  
been sold and used. It has long been  
the standard and main reliance in the  
treatment of croup in thousands of  
homes, yet during this time no case  
has ever been reported to the manu-  
facturers in which it failed to effect  
a cure. When given as soon as the  
child becomes hoarse or even as soon  
as the croupy cough appears, it will  
prevent the attack. It is pleasant to  
take, many children like it. It con-  
tains no opium or other harmful sub-  
stance, and may be given as confi-  
dently to a baby as to an adult.  
For sale by all Druggists.

**SAVED FEE.**

So you had finally mustered up  
courage to propose to Miss Springer,  
eh? What was the result?  
Why, she dismissed me without cer-  
emony.  
Oh, well, don't you care. The ab-  
sence of ceremony just saved you the  
minister's fee.

**THE HARDEST PAIN TO ENDURE**  
Is the pain of a tender corn, but

able by Putnam's Fish-bone  
Corn Remedy, which acts in 24  
hours. Putnam's never burns or  
causes sores. The only painless cure  
is Putnam's. Use no other.

**District Dashes**

E. Tinsley, chief game warden, has  
issued an extract from the Ontario  
Game Laws for the guidance of  
sportsmen. Our chief interest just  
now is the fact that quail may not  
be killed before the 1st of November,  
1905, and the killing of squirrels  
(black and grey) is prohibited for an  
indefinite period.

A well was struck about a mile  
west of Kingsville on Tuesday of last  
week and by another company on the  
farm of R. Simpson, three miles east  
of the Leamington fields on the same  
day; pay rock was reached and con-  
siderable oil discovered, thus show-  
ing that the field from east to west  
covers at least twelve miles.—Am-  
herstburg Echo.

Glencoe was almost victimized, accord-  
ing to the Transcript. A couple of  
strangers with an advertising scheme  
collected \$2 apiece from a number of  
business men a few weeks ago. Busi-  
ness cards were to be inserted in a  
frame and placed in the post office.  
The strangers have gone and the  
frame is being held as security for a  
board bill at one of the hotels.

A meeting of the Old Boys' Commit-  
tee was held in the council room on  
Friday night last, when the treasurer  
presented his report showing that  
they had a surplus of some \$124. The  
celebration was a huge success and  
by good financing the above amount  
is in the treasury. Upon motion it  
was ordered to be placed in the bank  
to the credit of the Old Boys' Asso-  
ciation.—Dresden Times.

John Greenwood, son of John Green-  
wood, Croton, was badly hurt on  
Tuesday morning. In some way his  
foot became caught in the machinery  
of a threshing engine and was very  
badly lacerated. He was removed to  
town and put in the injured foot  
was amputated by Drs. McDonald,  
Wiley & Wiley. He is now resting  
at the home of W. H. Thompson.—  
Dresden Standard.

The damage done in the northern  
portion of Essex County by frost is  
greater than was first thought, and  
the market gardeners will lose thou-  
sands of dollars. Whole fields of  
tomatoes have been practically ruined.  
The gardeners had only begun  
picking the first part of the crop.  
Green grapes touched, but not  
believed that the fruit will be  
damaged to any great extent.

Last week Dethel Sharp lately sta-  
tion agent at Port Lambton, had the  
misfortune to lose his right arm in a  
shooting accident at Hargreaves, Ind.  
Mr. Sharp was out shooting with his  
rifle which hung fire and placing the  
bullet on the ground he laid his right  
arm on the muzzle just at the mo-  
ment the cartridge exploded. The  
fore arm was badly shattered and  
amputation followed.—Wallaceburg  
Herald.

John Daly, a young farmer of Dawn  
Tp., met a rather sudden death on  
Sunday, 2nd inst. The deceased was  
a son of Wm. Daly, of Tupperville,  
and had a contract of dictation with  
the ownership of Camden upon which  
he was engaged until about four days  
previous to his death when it appears  
he was seized with an acute attack  
of inflammatory rheumatism and se-  
rication which terminated with the  
above result.—Wallaceburg Herald.

Essex County has yielded a tremen-  
dous grape crop this season. The  
largest shipment ever sent out of  
this district was made last week by  
the McPherson Fruit Company, of  
Winnipeg. Twenty-five carloads of  
Concord grapes started for the prairie  
provinces and adjacent territories.  
These are earlier by two weeks than  
the Niagara grapes. Owing to the  
lack of proper storage facilities Es-  
sex County hitherto has failed to  
profit greatly from an export trade.

The Walkerville Bridge Co., who  
are supplying the county bridges  
over the Belle River, state that they  
will ship one of the 55 foot spans  
on the 1st of October and the  
others will follow shortly after. The  
first will be put up at "Bees".  
The old bridges at Myles', Dewhurst's,  
and at the Base Line are being torn  
down this week and temporary ones  
being put up in their places. The  
masons commenced work on the  
abutments last week. It is hoped to  
have all the bridges completed by  
the first of November.

Alfred Beattie, of Dawn township,  
met with an accident on Tuesday,  
which will probably prove fatal. He  
was in the act of backing up a trac-  
tion engine to hook up a separator  
when he lost control of it. It was  
jammed between two Larus, get-  
ting from the separator and the en-  
gine with terrible force, and the  
steam gauge broke and he was ve-  
rily badly sealed. He could be re-  
moved. When removed to the house  
three doctors were called, but they  
could not do anything for him and  
it is hardly likely he will recover.  
So today was his hurt.—Dresden Stand-  
ard.

**MINDS HIS OWN BUSINESS.**

The people of Canada are the share-  
holders whom R. L. Borden, M. P., is  
trying to serve.  
The shareholders of the Grand  
Trunk are the only ones whom Sir  
Charles Rivers Wilson is trying to  
serve.  
It is certain that Sir Charles Rivers  
Wilson might be denounced at a  
public meeting for fidelity to the in-  
terests of the Grand Trunk share-  
holders.  
It is certain that Sir Charles Rivers  
Wilson denounced Mr. Borden at a  
Grand Trunk meeting for fidelity to  
the interests of the people.  
The business of an English railway  
magnate is to look after the interests  
of his shareholders and the business  
of a Canadian public man is to look  
after the interests of his country.

**The Value of Charcoal**

Few People Know How Useful it is in  
Preserving Health and Beauty.

Nearly everybody knows that char-  
coal is the safest and most efficient  
disinfectant and purifier in nature,  
but few realize its value when taken  
into the human system for the same  
cleansing purpose.  
Charcoal is a remedy that the more  
you take of it the better; it is not a  
drug at all, but simply absorbs the  
gases and impurities always present  
in the stomach and intestines and  
carries them out of the system.

Charcoal sweetens the breath after  
smoking, drinking or after eating  
onions and other odorous vegetables.  
Charcoal effectually clears and im-  
proves the complexion, it whitens the  
teeth and further acts as a natural  
and eminently safe cathartic.  
It absorbs the injurious gases which  
collect in the stomach and bowels; it  
disinfects the mouth and throat from  
the poison of catarrh.

All druggists sell charcoal in one  
form or another, but probably the  
best charcoal and the most for the  
money is in Stuart's Charcoal Lozenges;  
they are composed of the finest  
selected Willow charcoal and other  
harmless antiseptics in tablet form  
or rather in the form of large, pleas-  
ant tasting lozenges, the charcoal  
being mixed with honey.

The daily use of these lozenges will  
soon tell in a much improved condi-  
tion of the general health, better  
complexion, sweeter breath and purer  
blood, and the beauty of it is, that  
no possible harm can result from their  
continued use, but on the con-  
trary, great benefit.

A Buffalo physician in speaking of  
the benefits of charcoal, says: "I ad-  
vise Stuart's Charcoal Lozenges to  
all patients suffering from gas in  
stomach and bowels, and to clear the  
complexion and purify the breath,  
mouth and throat; I also believe the  
liver is greatly benefited by the daily  
use of them; they cost but twenty-  
five cents a box at drug stores, and  
although in some sense a patent  
preparation, yet I believe I get more  
and better charcoal in Stuart's Char-  
coal Lozenges than in any of the  
ordinary charcoal tablets."

**For Libelling Mr. Connors.**

Toronto, Oct. 7.—The Superior  
Printing Co. of Port Arthur has as-  
ked the court to dismiss, for want of  
prosecution, the suit of James Con-  
nors, M.P.P., for damages for al-  
leged libel. The case, they say,  
should have been ready for trial  
last June. The application was ad-  
journed until Tuesday.

**Strained His Back  
While Lifting**

Was in a Bad Way Till He  
Used Dodd's Kidney Pills

They Removed the Bad Effects and  
Now William Sharam is as well as  
Ever Again.

Murray Harlow South, P. E. I.,  
Oct. 3.—(Special).—Hurt through  
straining his back while lifting Mr.  
William Sharam, general stockee,  
here, got so weak that he could  
scarcely hold up. To-day he is en-  
joying the best of health once more  
and when asked how he got his  
health back he unhesitatingly an-  
swers, "Dodd's Kidney Pills."  
"Having sprained my back with  
heavy lifting," Mr. Sharam says in  
telling his story, "it brought on  
Urinary and Kidney Trouble. I got  
so weak that I almost fainted and  
could scarcely hold up. I was terribly  
troubled with having to get out of  
bed so frequently to urinate."  
"After using many medicines with  
no good results, I tried Dodd's Kid-  
ney Pills. I have used ten boxes in  
all and now I can sleep without  
being disturbed and my old trouble  
has vanished."  
Dodd's Kidney Pills cure the Kid-  
neys. Cured Kidneys cure numerous  
diseases, including Rheumatism,  
Dropsy and Bright's Disease.

**NOT BY HALVES.**

It is a secret, sir, but Squiggles  
won't give his clerks a half holi-  
day.

Why not?  
He says he doesn't believe in do-  
ing things by halves, and that they  
will either have a whole day or none  
at all. And so far they have had  
none at all.

**TO KNOCK OUT COLDS.**

And cure them in an hour with-  
out resorting to nauseous drugs just  
use fragrant, healing Catarrhona-  
the most pleasant, prompt and cer-  
tain cure for colds ever discovered.  
No medicine to take, you simply  
inhale the balsamic vapor of Ca-  
tarrhona. It never fails to root  
out the first colds and is so simple  
and convenient to use that no one  
can afford to be without it.  
"After using Catarrhona in your pocket  
you need never be troubled with  
colds. Complete outfit \$1.00; in-  
trial size 25c."

**OWES HIS LIFE TO A NEIGHBOR'S  
KINDNESS.**

Mr. D. P. Dougherty, well known  
throughout Mercer Summer coun-  
ties, W. V., most likely owes his life  
to the kindness of a neighbor.  
He was almost hopelessly afflicted with  
diarrhoea; was attended by two phy-  
sicians who gave him little, if any  
relief, when a neighbor learning of  
his serious condition, brought him  
a bottle of Chamberlain's Colic, Cholera  
and Diarrhoea Remedy, which cured  
him in less than twenty-four hours.

Stanstead Junction, P. Q., August  
12th, 1893.

Gentlemen,—I fell from the bridge  
leading from a platform to a loaded  
car while assisting my men in un-  
loading a load of grain. The bridge  
went down as well as the load on my  
back and I struck on the ends of the  
sleepers, causing a serious injury to  
my leg. Only for its being very  
fleshy would have broken it. In an  
hour could not walk a step. Com-  
menced using MINARD'S LINIMENT  
and the third day went to Montreal  
on business and got about well by  
the use of a cane. In ten days was  
nearly well. I can sincerely recom-  
mend it as the best Liniment that  
I know of in use.

Yours truly,  
C. H. GORDON.
