LOST IN GALE

Wreck of the Schooner Johnson in Lake Huron with Cargo for Piggott & Sons.

The Detroit papers announce this morning the total loss of the schooner J. I. Johnson on North Point, Lake Huron, just above Alpena and near Middle Island. She was driven on the beach by the terrific gale which accompanied a snow storm on Lake Huron shortly after midnight yesterday morning.

When last heard from the schooner had lost her stern and spars and the deckload of lumber had been washed off down to the rails.

THE STORY OF A SUCCESSFUL MAN

He Found His Lost Health in Dodd's Kidney Pills

Leading Business Man of Welland Gives His Experience With The Great Canadian Kidney Remedy.

Welland, Ont., Nov. 28.—(Special).—There is no better known or more highly respected man in Welland than Mr. J. J. Yokom. Born and brought up in the neighboring township of Crowland, by his own industry and sterling honesty he has grown to be one of Welland's leading merchants.

"For a year or more I had Kidney Trouble in its worst symptoms," says Mr. Yokom. "My head was bad, I had no appetite and I lost weight fast. At times I was entirely incapacitated. I doctored with a physician of vast experience but got no good results."

"I became dependent of ever being well again, when by good luck I chanced to try Dodd's Kidney Pills and from the first they seemed to suit my case. Five boxes cured me completely."

YOUNG MENS' CLUB

The Young Men's Club of the Park St. Methodist Church held a very interesting meeting last evening, with Harry Westman in the chair.

The first hour of the evening was spent in games and the balance of the evening was spent in impromptu speaking. Twelve subjects were chosen and picked from a hat by twelve of the young men who had to give five-minute addresses on the subject they drew. The subjects were, Our Club, Our City, Great Britain, Music, Winter, The Model Young Man, Temperance, Farm Life, Canada, The Russo-Japanese War, Sports, Our Lady Friends.

It was hoped that the young men would hold another meeting, just as interesting, in the near future.

QUITE AN ATTRACTION

In the show windows of W. J. Kenney is to be seen a nicely framed copy of the beautiful picture, "The Princess At Work," which is given to all who subscribe this season to the Family Herald and Weekly Star, of Montreal. The picture is attracting a great deal of attention and makes one wonder how such a handsome picture can be given free with such a weekly paper at one dollar per year.

TIE GAME

A very interesting game of football was played between the Kent Bridge and Chatham junior football teams on Tecumseh Park yesterday afternoon.

The game was the final in the Fleming cup series between these two teams, and it was won by Kent Bridge, who will now play off the finals with the western winners in this league.

Yesterday's game was a good exhibition of football. During the first half honors were very evenly divided and Kent Bridge succeeded in scoring just five minutes before half time. Worth shot the goal. In the second half Chatham scored once through a splendid shot by Bennie. Chatham crowded the Kent Bridge goal during the last half of the game. Mr. Crow referred the game.

Last Wednesday Kent Bridge won and the tie game yesterday gives the championship of the eastern part of the league to Kent Bridge. For the Chatham team Brady, West and Martin played well. Bennie was good at half-back and the right wing Brownley and Love were good. The following were the teams:

CHATHAM. Goal—Kinney. Backs—Williston and Trotter. Half-backs—Williamson, McDonald and Bennie. Forwards—Love, Brownley, Martin, West and Brady.

KENT BRIDGE. Goal—Pickard. Backs—Bergson and Riseborough. Half-backs—Gregory, Curtis and Lyden. Forwards—Worth, Jenner, Williams, Riseborough and Oliver.

A Siege

The matrons of the Edison Orphanage at Lowell, Mass., U.S.A., wrote they had a siege of whooping-cough in their institution. They said that every case was promptly relieved by Vapo-Cresolene. Its value in coughs and colds was so great they always kept it ready for use. You know how it's used, don't you? 'Tis heated by a vaporizer and you inhale it. Write us for a book that tells all about it.

Vapo-Cresolene is sold by druggists, or sent express prepaid on receipt of price. A Vapo-Cresolene outfit including a bottle of Cresolene, complete \$1.50. Send for free illustrated booklet. Lazzara, Milano Co., Ltd., Agents 288 St. James Street, Montreal, Can.

WORLD OF SPORT

FOOTBALL

DARRELL TO PLAY DETROIT.

The final game in the Peninsular Association Football League will be played in Detroit next Saturday afternoon between Digrell and Detroit. At a recent meeting of the league it was decided to permit Darrell to enter and play home games with Detroit. At a meeting in Windsor last Monday evening Darrell agreed to settle the championship in one game, and that to be played in Detroit. An effort will be made by the latter team to secure an enclosed field for the game, and as Darrell is one of the best teams of Ontario a good game is anticipated.

Secretary Filer has just received an answer to his challenge to the Galt, Ont., team, which won the amateur championship of the world at St. Louis last week, in which the manager of that team states that it will be impossible to give Detroit a game this season as the team has broken training.—Windsor Record.

Gained Flesh at Once

St. Catharines Lady Tells What Bu-Ju Has Done For Her.

Mrs. D. J. Sullivan being greatly troubled with headaches found almost immediate relief by using "Bu-Ju" Pills. She writes as follows:

St. Catharines, Jan. 23, 1904. Clafin Chemical Co., Windsor, Ont. Gentlemen: I am glad to be able to say that I have received a great benefit from taking your "Bu-Ju" Pills. I had been troubled with headaches for nearly two months, but after taking three boxes I had gained flesh and felt much improved in every way. I have recommended them to several of my friends, and they all seem to have derived great help from them.

Yours truly,

MRS. D. J. SULLIVAN.

Bu-Ju, the Kidney Pill, is a wonderful remedy for all diseases and maladies arising from disordered kidneys, and there are hundreds of different diseases and conditions that are the direct result of kidney trouble. It would take too much space to enumerate them all, but we might mention rheumatism, dropsy, salivary complexions, lame back, blood poisoning, sleeplessness, headache, irritable temper, bad breath, loss of flesh, etc.

Bu-Ju Kidney Pills are the infallible remedy for these troubles, and may be had at all drug stores. Ask for them and insist upon getting them. Take no substitute.

Most men argue from their personal view rather than from actual conditions.

Evangelist McHardy's Farewell

The closing meeting of the series was held in Victoria Ave. Methodist Church last night. The church was crowded with attentive listeners, who followed closely an earnest and pointed sermon based on Acts 24-25. "And as he reasoned of righteousness, temperance and judgment to come, Felix trembled and answered, Go thy way for this time, when I have a convenient season I will call for thee."

The sermon made a deep impression and many decided to become Christians. The services have been well attended throughout and all who have come to know Mr. McHardy have spoken of him in terms of praise. His sermons have been eminently Scriptural. He has made his appeals to the conscience and the reason rather than to the emotions. He possesses, however, in an eminent degree the power of tender appeal along with fearlessness in denouncing sin, and earnestness in warning of its consequences.

The church has been strengthened during these services, not only by the many who have joined its ranks, but also by the awakened life and the strengthened faith of those already on the membership roll.

Mr. McHardy left this morning for his home in Toronto, where he will spend a few days before going to the Bay of Quinte Conference to conduct a union service with the Presbyterians and Methodists.
