### ON ROYAL BANK BOARD

Hon. R. B. Bennett, K.C., of Calgary, has joined the directorate of the Royal Bank of Canada, filling the vacancy caused by the death of George R. Crowe, of Winnipeg.

Dr. and Mrs. Frank Chute entertained the Arts and Crafts Club on Friday, Nov. 21, the evening being an enjoyable one.

Mr. A. D. Payzant has received word from his brother, George R. Payzant, California, by motor, via Toronto, Detroit, through Illinois, Missouri, Oklahoma, New Mexico, Arizona. George R. Payzant left Canning in 1893, going to Dorchester, N. B., where he has been in business for thirty years, and was of the business manager of the Payzant & Card Co. Ltd., from which he withdrew in September, sold his home and left for California where he will reside. Mr. Payzant married Blanche, youngest daughter of the late Judge Hannington, ex-premier of New Brunswick, and they have one daughter Joan, who accompanied them on their 4000 mile trip which was easily made in 19 days, from Detroit, their only trouble the Rockies was 8000 feet, with snow in sight most of the time, with 400 miles of desert near the end of the journey. The friends of Mr. Payzant will joyfully welcome him and his family every evening in their new home.

The Canning Board of Trade has ready for erection in the spring, four large sign boards with which to mark the roads leading to Canning, for the motorist. These, with those the N. S. Motor League, will make motor traffic easier for the strangers en route to the Look Off, Blomidon and Scotts Bay.

Miss Ona Ward, Miss Mabel Bigelow and Miss Nellie Eaton, in an attractively decorated booth, were busily engaged in selling home made candied the cup that cheers. At the conclusion of the auction all gathered to tea and supper, which were prepared by fair maidens and coffee the conclusion of music furnished by the young people was enjoyed and closed one of the most successful sales ever held in Canning. ## Apples Trees and the British Preference

We have bought the total output for the Annapolis Valley of

of Ontario, which are selling at moderate prices. This stock has been giving great satisfaction the past few years.

The British Preference was defeated by six votes in the British House of Commons, 272 votes for, 278 votes against. Best opinions are that this preference will be granted within a few years, and growers having trees then coming in bearing will be in a position to take advantage of same.

We strongly recommend growers planting the Winesap for a well colored, long-keeping dessert apple, highly appreciated on the British markets.
