# A New Year Letter.

## TO OUR CUSTOMERS.

At the beginning of the New Year we wish to express to all our customers our appreciation of the favors shown us during the past twelve months. This has been a very prosperous year with us and the result has been, in a great measure, due to the loyalty and good will of those to whom this acknowledgement is extended. We wish you to feel that we appreciate your trade, for we do and we hope to express this appreciation by making an increased effort throughout the coming year to promote your interests in every way and by extending to you every favor we can.

For the ensuing year we shall, as in the past, endeavor to maintain a stock which shall in every way meet the needs of the community. We carry everything new in Drugs, Medicines, Sick Room Supplies, Toilet Articles and Sundries.

Our prescription department is conducted along modern lines, and provides the finest possible service. We expect to hold your trade and influence by never giving you the slightest reason for going elsewhere.

Again thanking you for your trade and influence, and extending to you our best wishes for a year of happiness and prosperity, we remain, sincerely yours.
