Never Failing Remedy! HOLLOWAY'S OINTMENT. A CRIPPLE SETS ASIDE HIS CRUTCHES—AFTER TEN YEARS SUFFERING. Copy of a Letter from Mr. Thompson, Chemist, Liverpool, dated August 20, 1852. To Professor HOLLOWAY.

DEAR SIR—I am enabled to furnish you with most extraordinary cure effected by your invaluable Ointment and Pills which has astonished every person acquainted with the sufferer. About 16 years ago, Mr. W. Cummins, of Salford Street, in this town, was thrown from his horse, whereby he received very serious injuries; he had the best medical advice at the time, and was afterwards an inmate of different infirmaries, yet he grew worse, and at length a malignant running ulcer settled in his hip, which so completely crippled him, that he could not move without crutches for nearly 10 years; recently he began to use your Ointment and Pills, which have now healed the wound, strengthened his limb, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with recovered health and vigor. (Signed) J. THOMPSON.

A MOST EXTRAORDINARY CURE OF A DREADFUL SKIN DISEASE, WHEN ALL MEDICAL AID PROVED UNAVAILING. Copy of a Letter from Mr. Hird, Draper, of Keedy, near Guisburo', dated March 1st, 1852. To Professor HOLLOWAY.

SIR—Some time since, one of my children was afflicted with dreadful eruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physicians, all of whom the case was considered hopeless. At length I tried your Ointment and Pills, and without exaggeration, the effect was miraculous, for by persevering in their use, all the eruptions quickly disappeared, and the child was restored to perfect health. I previously lost a child from a similar complaint, and I firmly believe, had I in her case adopted your medicines, she would have been saved also. I shall be happy to testify the truth of this to any enquirer. (Signed) J. HIRD, Draper.

ANOTHER SURPRISING CURE OF ULCERATED BAD LEGS, DEBILITY, AND GENERAL ILL HEALTH. Copy of a Letter, from Mr. J. M. Crennell, of Newcastle-on-Tyne, dated September 20th, 1852. To Professor HOLLOWAY.

DEAR SIR—I am authorized by Mrs. Gibbon, of 21, Babay Street, in this town, to inform you, that for a considerable period she had been a sufferer from debility, and general ill health, accompanied by a disordered stomach, and great derangement of the system. In addition to this, she was terribly afflicted with ulcerated wounds, or running sores, in both her legs, so that she was totally incapable of doing her usual work. In this distressing condition she adopted the use of your Pills and Ointment, and she states that in a wonderful short time, they effected a perfect cure of her legs, and restored her constitution to health and strength; and that she is now enabled to walk about with ease and comfort. Several other persons in this neighbourhood have also received extraordinary benefit from the use of your invaluable medicines. I remain dear Sir, yours faithfully, (Signed) JOHN MORTON CLENNELL.
