and no land is being sown, while much seed has been destroyed and many cattle seized. It is rumoured that troubles are impende ing in the Transvaal. It is feared if the Colonial Ministers take energetic measures in that province immediate disturbance will engue. The announcement of the the establishment of a beet root sugar en-terprise. A meeting in favour of the en-terprize was recently held and an influential visit of 'Sir Garnet Wolseley probably disquiets the Boers. A Fort Durnford despatch of July 13th says King Cetewayo, when leaving the battlefield of Ulundi, told his chiefs to look to their own safety and seek terms of peace as best they could. His army is broken up and the nation dispersed. The King is a fugitive. Zululand will pro-bably be divided into three or four separate principalities, each under the rule of an independent noble. Cetewayo's brother Oham will receive his own territory under this arrangement. LONDON, Aug. 4.—Special despatches of the correspondents in South Africa agree that the capture of Cetewayo is all impor-tant, because as long as he is free he will remain the centre of conspiracy and mis-chief. General Wolseley, however, has no chief. General Wolseley, however, has no intention of pursuing him with British troops as the nature of the country renders such a course impracticable. His policy rather is to stir up the neighbouring tribes against the King. Agents have been sent to the Agents have been sent to the Swazers and Amatongas with this object in view, and 5,000 cattle have been offered to Oham if he will capture his brother. One telegram even says that a price has been set upon Cetewayo's head, but this seems an exaggeration. Gen. Wolseley, in an ad-dress to a number of chiefs on July 12th, informed them that he had no desire to take about ten other clergymen. The church some one on the island. The New Brunswick Government have paid to the Relief and Aid Society of St. John, N. B., the \$25,000 voted in 1877 for the relief of the sufferers by the great fire.
