It is the first of the most popular of European alliances.

Disquieting rumors from Paris are in circulation here of an anticipated early departure of the French Cabinet.

Despatches from Berlin report that the German army is being largely increased.

Illness of Mrs. M. J. M.

The Queen is reported as suffering from severe illness.

At the Queen's physicians profess to be much less importance to this illness many persons are inclined to look upon her Majesty's illness in a much more serious light.

Commenting upon the news is substantially that the Queen is now sixty years of age, has always enjoyed excellent health, and has been

under the influence of illness to which she may not be considered subject.

Considerable anxiety is being manifested in the matter, both for personal reasons and in view of the political effect which might attend any possible change at the present time.

OLD AND SUFFERING IN SCOTLAND.

The weather in Scotland is intensely cold.

Heavy rains prevail, and the ground is frozen over for the first time in several years.

Much distress is felt among the poorer classes throughout the country.

OBITUARY AND THE VARIOUS.

A Berlin despatch says Bismarck will probably arrive there Thursday.

It seems the negotiations between Bismarck and the Vatican have ended, and Bismarck will not accept the restoration of a German Bishop.

There seems to be every probability of the old struggles re-commencing.

SPANISH NEWS AT A GLANCE.

Large festivals were continued to-day by a grand bull-fight, at which Queen Christina was present, and remained in the city.

Over 30,000 spectators were present.

IN AFRICA.
