Ottawa, Oct. 19.-An interesting deal has just transpired in connection with the mission of the transcontto the minister of railways and canthe Winnipeg terminals, the minister has declined to act upon the company's application.

Only part of the wheat berry is fit for food. Yet much that isn't often gets into flour. You cannot see it or taste it, but it's there. It is simply a case of the miller getting more flour from his wheat and your getting less nourishment.

Royal Household Flour

is so milled that nothing goes into it except the part of the wheat that is food. You get just what you pay for-the best and purest flour made. It goes farther because it is all flour. Your grocer can supply you.
