Halibut Takes on Ballast

But it is not as generally known that vincial Museum at Victoria, B.C., the following letter from a prominent fisherman at Vancouver, B.C., is

herewith reproduced: "Mr. Walter White, for many years employed as a halibut fisherman on the vessels of this company, and latterly as a mate on our steamship Kingsway, brought to the office a rock weighing about two and a half pounds. White states that he personally took this rock from the stomach of a halibut weighing about 60 pounds during August, 1918. The steamship Kingsway was fishing off Bonilla Island at the time in 35 fath-

Then Everybody Laughed.

Referring to my recent anecdote entitled "They Were False Ones," a medical doctor sends me a companion story which, he rightly remarks, is equally funny.

"As a student," he says, "I was once present at a hospital bedside demonstration, the subject of which was a man evidently suffering from some disease of the heart. An unnatural murmuring sound could be heard from that organ, and the pupil dilated.

"The peculiar appearance of the eye seemed to have some connection with the heart affection, and various opinions were expressed by the dif ferent students as to what the pre cise nature of this relation could be "The discussion was just becomin
