An Unique Record.

For the sixth consecutive time in the political history of the Province of Nova Scotia, Hon. George H. Murray, Liberal Premier, has had the unique honor of bringing back his administration to power from the polls. In the provincial politics of Canada, Murray has broken all previous records. The longest-lived administration hitherto, was that of Sir Oliver Mowatt, in Ontario, who held the position of premier of that province for twenty-three years, eight and one-half months. On July 20, 1896, Mr. Murray succeeded Hon. W. S. Fielding, who resigned office in Nova Scotia to take the portfolio of Finance Minister in the cabinet of the late Sir Wilfred Laurier. Since then he has appealed to the electors of Nova Scotia six times, on every occasion being sustained by a large majority, his last triumph on Tuesday being the almost obliteration of the Conservative Party, which only had one member sent back to the Provincial House. The lesson to be learned from Murray's succession of victories is that the people of Nova Scotia, being the best judges of their own affairs, look upon the Liberal administration as being best calculated to carefully look after and guard the best interests of the province, and consequently there have been few party splits, the electors holding firmly to the traditions and principles of Liberalism as expounded and practised by Murray and his following. The personality of the Premier, too, has been no small factor in contributing to his success. A cultured, unaffected gentleman who makes it a point to know every man in the province and to be able to call him by name, he has devoted himself for more than a quarter of a century to the interests of Nova Scotia, the province in which he was born, and his reward has been commensurate with his work.

For years, the once-powerful Conservative Party in Nova Scotia, has been disintegrating. Lack of cohesion, paucity of capable leaders, internal troubles and successive defeats had so disrupted the organization, that in the recent election there were no party nominees in several constituencies. The entrance of Farmer and Labor candidates also had an effect on the Conservatives, who had no desire to contest a four-cornered election, all over the province, hence the decision not to put men in counties where Agriculture and Labor were both strongly supported. Much reliance was placed by the Opposition on the ability of the nominees of the two new parties to win over Liberals, and the hope was that enough Conservatives would come back to make an amalgamation possible. But even that was doomed to disappointment, for the Opposition was swept away and, but one man of the Hall following saved a seat. With twenty-nine straight Liberals on the Government side, a united opposition can show only fourteen, providing they all hitch up to-

gether in their hostility to Murray's administration. These comprise a solitary Conservative, seven Farmers and six Labor men, a strong aggregation, but yet not quite powerful enough to damage the prestige of the Government, which received another lease of life from the voters. The Liberalism of Murray bears the hall-mark of genuineness. He is, perhaps, the only real Liberal leader in Canada to-day. Others have gone hither and thither, but the man from Grand Narrows has stood firm to Liberal principles, and with a tried and true following, the people of Nova Scotia have backed him up and never swerved in their allegiance. Here's congratulations to you, George H. Murray, sixth time Premier of Nova Scotia. You deserved to win, and you did win.

The Commission.

The commission of enquiry into the Woodford affidavit charges held a session this forenoon. Premier Squires was the only witness called and he being questioned corroborated his previous statement to which he made some amendments. The session adjourned till Monday next.

Fell From Scaffold.

While engaged in painting the Western end of the Newfoundland Clothing Company's building this morning, Mr. John Pippy fell from a ladder scaffold to the ground, distance of about twenty feet, receiving severe internal and external injuries. He was picked up by some spectators, bleeding freely from the mouth, and immediately rushed to hospital in a motor car, which fortunately happened along at the time, the injured man being brought from the place where he fell to the car on a long board, as he could not be lifted, owing to the intense pain from which he was suffering. The accident happened through the breaking of one of the tackles holding the ladder. The other occupant of the scaffold, when the rope broke, held on like grim death to the other fall, thus saving himself from being precipitated to the ground, being afterwards safely lowered to terra firma. Dr. Anderson was summoned to attend Mr. Pippy and upon his instructions the latter was rushed to the hospital. We trust that the injuries are not so serious as anticipated.

Admiralty Court.

(Before Justice Johnson.)
Schr. Lady St. John vs. Schr. Harold Conrad.

Mr. S. J. Foote appeared on behalf of the Lady St. John, and Mr. J. W. McNelly for the Conrad. This is an action for damages in a recent collision off Cape Race. No damages are assessed in the suit. Only one witness, the lookout man on the Lady St. John, had been examined up to recess hour.

Masters and Mates.

This forenoon a delegation from the Masters and Mates had an interview with the Minister of Marine and Fisheries, re regulations governing the granting of certificates. The delegates report that they are in perfect harmony with the intentions of Hon. Mr. Coaker and the interview was in every way satisfactory. The delegation will report to the Association in a day or two.

Interest in Press Race.

There is great interest manifested by all classes as to the result of the Press Race on Regatta Day. Of course that means as to who will take second place. As far as the Telegram is concerned we are perfectly impartial, and will readily extend the hand of congratulation to the crew of whichever of our contemporaries coming in next to the first boat. Our well-known humility prevents our naming the victors. But they are stalwarts, so say they all.

Labrador Report.

Grady—Calm and clear; good fishing.
Flat Islands—Light west winds and clear; fish plentiful.

Refused Permission.

We understand that the proposition of the storekeepers on Water Street to undertake the sprinkling of that thoroughfare, and for which funds were collected by Mr. W. A. McKay, has been knocked in the head, the Council having refused permission to the promoters to use the water.

Police Court.

One drunk was remanded.

Purcell, Parnell, Doran, Knight, Hall, White, Holwell, Pearce, Cook, Payne, Burnell, Tuffin, Jones, Waterman, Hann, Lane, Russell, King, McGrath, Murrell; Messames Foley and child, Mercer and two children, Martin, Small, Squires, Reese, Howse, Mullett and three children, Walker, Collins, White; Misses McGuire, Manuel, Hall, Oake, Porter, White, Miller, Hiscok, Brown and 30 in steerage.

Opening of Dominion Cafe.

UP-TO-DATE RESTAURANT.

Some fifty guests sat down to dinner yesterday at the opening of the Dominion Cafe, 318 Water Street, and they were treated in a right royal manner, and to a most bountiful repast, which speaks well for the management. The guests were representative city people, and they expressed their appreciation of the advance in our city life which this cafe represents, and they all wished the proprietors, Messrs. Kim Lee & Co., Ltd., much success. On behalf of the proprietors, Mr. A. W. Martin read a letter from the Premier, Hon. R. A. Squires, who regretted his inability to be present, but wished the cafe a prosperous career. Mr. Martin, himself spoke highly of the proprietors, and of his acquaintance with them since their arrival in the city some twenty-five years ago, and he felt sure that the same honest dealing which had marked their career in the past, would be continued in this their new departure. Hon. John Anderson then gave a short speech, and was very enthusiastic in his good words for the venture. Among others who said a few words were Mr. I. C. Morris, Hon. W. J. Higgins, Rev. Dr. Fenwick, Hon. H. J. Brownrigg, Mr. Howley, K.C., Mr. C. J. Fox, Mr.

J. C. Puddister, and Mr. Berteau, Auditor General. The Telegram is always pleased to see the city advancing, and it trusts that the new cafe will fulfil all that its friends expect of it, and it wishes its proprietors a worthy share of public patronage. A very elaborate menu had been prepared, under the capable direction of Morley Sou, who has been chef in restaurants at Vancouver, B.C., and Ottawa, Ont., acquiring a high reputation at both cities. The serving at the Dominion Cafe will be done by young Chinamen, the only lady help employed being at the cash register and ice cream counter.

Many letters expressing regret at not being able to attend the luncheon were sent the new venture of the very best of success. A number of ladies added that variety which the presence of the fair sex gives to such functions. Some of them occupied tables in the main dining room; others being seated in the private dining room off the stair landing.

The guests included Hon. John Anderson, M.L.C., Isaac Morris, Esq., Rev. Dr. Fenwick, President of Methodist Conference, Hon. H. J. Brownrigg, W. J. Higgins, Esq., K.C., F. O. Berteau, Esq., Auditor General, W. R. Howley, Esq., K.C., Cyril J. Fox, Esq., M.H.A., Messrs. Sizer, Goodridge, Hamlin, W. L. Donnelly, G. W. Lee, Messrs. Deputy Minister of Post, A. Roney, Chas.
