FINAL MEETING HELD.

REGATTA OFFICIALS PRESENT
REPORTS.

At the final meeting of the Regatta Association held last night in the T.A. Armory, it was found that all outstanding accounts had been paid and a substantial balance remained in hand for next year. Medals were presented by the President who made a most interesting address. Votes of thanks were tendered to all the officials. The reports of Secretary Noon and Treasurer Jones were first submitted and approved. President Hiscock then very heartily thanked the various boat clubs for the great interest they displayed in the Regatta, by placing their boats on the Lake, and going to such a large expense for their upkeep. He was sure the public appreciated their work which was most essential for the success of the event. The President also thanked the members of the Committee for their splendid work in making the Regatta the best yet. Mr. P. Brown made some very timely suggestions as regards the starting of races, etc., and the placing of buoys at the bottom of the pond. He was supported by Messrs. W. J. Higgins, F. Nangle, C. J. Ellis and P. F. Collins and the matter will be attended to at next year's meeting and the defects of the past year remedied. The medals won by the Cold Storage Labourers who won first place in the Nettle R., were presented to the crew by President Hiscock, who complimented them upon their splendid showing. Silver medals were also presented to the Dally News crew who won second place in the Press Race. Before the close Vice President Higgins took occasion on behalf of the Committee to extend congratulations to President Hiscock for his splendid services to the Committee during the past 46 years. He hoped that the genial President would keep in training during the next twelve months and that the 1922 Regatta would find him fully restored to his former robust health. The Committee unanimously endorsed Mr. Higgins' remarks and the Secretary had same placed on record.
