MINARD'S LINIMENT USED BY VETERINARIANS.

NEW DRESSES FOR OLD DOROTHY DRESSES
There's one way to save up a silver and gold. And that is to get some new dresses for old. Dainty Dorothy
YOU will spend less money for clothes when you get acquainted with Dorothy's manner of keeping her wardrobe up to the style mark. If a dress isn't in style she alters it and has it cleaned by . . . Sometimes she buys a new one to match it and sometimes she refits an old one. And dyeing disguises some of Dorothy's last year frocks, but who'd know it.

AFTER A FIRE
The first question asked, HOW MUCH INSURANCE? NONE. Poor beggar, ruined for life. You have heard it. It is no use looking for sympathy for it is only found in the Dictionary. Are you content to take the risk of losing your life's savings for the sake of a small sum of money payable yearly? Average one dollar a month for \$1,000.00. Is it worth it? We represent THE CONTINENTAL INSURANCE CO. of New York. Assets \$40,857,877.57. A particularly strong Fire Company. Other companies talk Service—we GIVE Service. For full particulars consult immediately.

RECOGNITION.
The care of the teeth is now recognized as a necessity. In fact the large hospitals all over the world examine the patients' teeth and where it is possible put them in good condition before attempting a surgical operation. Experience has shown that the patient has a better chance for recovery with a clean healthy mouth than without it. This ought to convince the most skeptical that care of the teeth is requisite to health.
