DISCOVERED A BROKEN RAIL ON THE PERE MARQUETTE RY.

Mr. William Carswell for the Second Time Prevents a Bad Accident in the Vicinity of the Bridge Over the Thames River.

station.

This is the second time Mr. Carsberger at the Wilcox plant in Chelsea Green, was walking across the tracks at this point on his way to his work. Noticing the circumstances were almost identical. He is an old railway man

was walking across the tracks at this point on his way to his work. Noticing a piece of rail sticking up, he investigated, and found a badly broken rail. It was then about twenty minutes past 8 o'clock, and the express was due in a few minutes.

He ran up the track some distance, and soon heard the Pere Marquette intend recognizing the service Mr. Carswell has done the road.

WOMEN ARE MISSING TRUM THE NORTH END

Matrimonial Bureau Story.

The end is not yet in the case of the matrimonial bureau which was investigated by the police and post-onice onicials last week. Mrs. Ball and Mrs. Gall, 552 Piccadilly street, and whose names were mentioned in connection with the case, left the city on Tuesday.

Mr. Fred H. Travers, grocer at place of Piccadilly and Will on streets, who owns the house the wd nen occupied, stated to The Advertise today that they were about the place on Monday. On Tuesday, Mr. Travers says, he went over and found the blinds all pulled down, and no ong about.

A Queer Case.

The first affidavit filed in this matter on the 13th of March inst, set up that the water commissioners intended to utilize these lands partly for park purposes.

No denial of this was forthcoming

Inspector Speaks.

Postoffice Inspector Dr. Cl. T. Campbell stated to The Advertiser this afternoon that the case as far as he was concerned was entirely out of his hands. He stated that he had heard from the man concerned in the American west, and he stated that he had sent money to one of the women, and that she was to come west to marry him.
