

## FEWER APPLES AS RESULT OF FROST

Many Blossoms Killed Off in  
the Recent Cool Dip.

[Special to The Advertiser.]  
ILDERTON, May 28.—Ilderton Fruit  
growers report a light set of apples,  
much lighter than the promise of blossoms  
would indicate. This is probably  
caused by the cold weather at blossom-  
ing time. Some of the members in the  
Coldstream district report the presence  
of a very destructive worm which is  
stripping the foliage off, and H. Zavitz  
reports his orchard nearly bare. J.  
McQueen reports considerable damage.  
From information received this is no  
doubt the case with other growers.  
A season in unspayed orchards. The  
only remedy is thorough spraying with  
arsenate of lead or other poison.  
Lobo district had a splendid shower  
last evening and crops are looking fine  
now. Many of the Lobo farmers have  
been planting out good patches of  
strawberries, and with warm weather  
there will be more berries grown than  
for many years.

## Headaches Make Life Miserable

Headaches are one of the most aggra-  
vating troubles one can have, and it is  
hard to struggle along with a head that  
aches and pains all the time.  
Headaches seem to be habitual with  
many people; some are seldom, if ever,  
free from them, suffering continually  
from the dull throbbings, the intense  
pains, sometimes in one part, sometimes  
in another, and then again over the  
whole head.  
There is only one way to get relief  
from these persistent headaches, and  
that is by going direct to the seat of  
the trouble, for unless the cause is re-  
moved, the headaches will still con-  
tinue to exist.  
The fact that Burdock Blood Bitters  
keep the stomach, liver and bowels  
tuned up is proof enough to show that  
it will eliminate the cause of the head-  
aches.  
Mrs. Harold Linsell, Owen Sound,  
Ont., writes: "My system was run  
down and my blood out of order. I  
suffered a great deal from severe pains  
in my head, which made me feel very  
miserable. After having tried other  
remedies I purchased a bottle of Bur-  
dock Blood Bitters, and was very glad  
to notice a decided improvement in my  
health, so I took another, and am  
glad to say that it has done me an  
enormous amount of good. I can now  
recommend it to my friends, who  
were in a similar condition, and they  
all say it is a wonderful remedy."

## CROPS NEVER LOOKED BETTER AT INGERSOLL

Recent Showers and Warm  
Weather Making Rapid  
Growth.

INGERSOLL, May 29.—The recent  
showers and the warm weather are  
bringing crops along rapidly, and the  
country side seldom looked better. In-  
dications point to a record crop, and  
the farmers all through the district are  
optimistic.  
The local lodges of the I. O. O. F.  
were largely represented at the evening  
at the service held at St. Paul's Church  
for the institution of the order. A  
splendid sermon was preached by the  
pastor, Rev. Geo. W. Wood. Patriarch  
Pastor, Rev. Geo. W. Wood, and St.  
Thomas as well as members of the  
various branches of the order from  
other surrounding places were present.  
Boosting the Town.  
Earnest attention is being given by  
the Kiwanian Club to the work of  
improving the grounds of the grounds  
of Alexandra Hospital, which has been  
referred to a committee and the cre-  
ation of an electric sign to advertise  
the town which is also in the hands  
of the committee. In regard to improving  
city streets it has been decided  
to have the full Kiwanian membership  
in conjunction with the Motor League  
wait upon the council.

Largely Attended.  
The annual convention of the In-  
gersoll, North and West Oxford Sunday  
School Educational Council held in the  
Methodist Church, Swaburg, was  
marked by a large attendance of dele-  
gates, and splendid reports. Practi-  
cally all the Sunday schools of the  
district were represented. R. D. Ram-  
say of Ingersoll, the retiring president,  
occupied the chair. A number of help-  
ful addresses were given. Rev. W.  
Wood of Ingersoll spoke on "The Teen  
Age Boys." Reports regarding the  
various departments were highly en-  
couraging. Miss Mabel Taggart, pro-  
vincial representative of the Canadian  
Girls' Movement, gave an excellent ad-  
dress in the afternoon. J. H. Rush,  
county president, Miss Taggart and  
Rev. E. Sheppard spoke in the evening.  
The following officers were elected:  
President, D. W. Osmond; first vice,  
H. Barnett; second vice, F. W. Waters;  
executive committee, the ministers and  
Sunday school superintendents. Super-  
intendents of divisions, children, Mrs.

## DEED RECORDS WILL BE COSTLY

Public Hit Hard by Latest  
Government Scheme to  
Raise Revenue.

ST. THOMAS, May 29.—The record-  
ing of a deed in the local registry office  
will cost the purchaser of land some  
money if the consideration be substantial.  
After Tuesday next, that a revenue  
may be created out of the sales of all  
real estate interests, one-fifth of one  
per cent of the amount paid for the  
property, as well as the ordinary fees,  
will be charged the party registering  
the deed, so that thereafter the man  
who buys, if he desires to keep the fees  
down, will not place a fictitious con-  
sideration in the deed; nor will he sell  
his land now with the nominal sale price  
of one dollar. The lowest charge now  
made for the registration of a deed is  
\$2, and with the additional government  
fee, the cost in some cases may be con-  
siderable. It is the order of the registrar  
that the owners of local property  
quashed in the order to escape this  
consideration. The owners of local property  
who have forgotten to register their  
deeds are flooding the registry office  
with documents, and deals in land are  
being hurried through by these parties  
to a completion before the act comes  
into force.

M. McCullough Promoted.  
Murray McCullough, for years  
freight agent in the city for the L. and  
P. S. R., has received a well-deserved  
promotion to that of assistant auditor  
of the system, succeeding Walter Win-  
nett. Lorne Harkness, succeeded Mr.  
McCullough. Mr. McCullough's ad-  
vancement is not surprising, having  
been for some time a member of the  
newspaper staff.

## THREE ROBBERIES WITH VIOLENCE IN TORONTO REPORTED

Constable Who Tried To Stop  
Crap Game Is Badly  
Mauled.

TORONTO, May 29.—During Satur-  
day night and this morning, three rob-  
beries with violence, two places broken  
into, a constable assaulted and twelve  
arrests in connection with cases were  
recorded by the police of this city. Con-  
stable Lester was badly mauled early  
this morning when he attempted to  
arrest five men for alleged crap shoot-  
ing.  
One of the robberies took place in a  
stable early in the morning. D. W.  
Clark, grocer, William and Edwin War-  
ren, brothers, were locked in the har-  
ness room after their pouches had  
been torn from them Saturday night.  
William Warren had taken the pre-  
caution to remove the money in his  
pouch to his pocket and the robbers  
did not stop to search him, but carried  
off the empty receptacle. Edwin War-  
ren's pouch contained \$35 in cash and  
checks, and the robbers got this.  
The other two men were arrested,  
charged with the Warren robbery. One  
of them, Walter Williams, is also a  
driver for D. W. Clark. It is said he  
left the Clark store for the stable a  
short time before the robbery occurred.

## SEVEN DIE IN PLANE CRASH

Curtis Machine Became Un-  
manageable During Heavy  
Electrical Storm.

WASHINGTON, D. C., May 29.—  
Seven men, five of them of the army  
and two civilians were killed in the  
wreck of an army Curtiss-Eagle an-  
bulance aeroplane near Indian Head,  
Maryland, 40 miles southeast of Wash-  
ington, yesterday evening in a terrific  
wind and electrical storm. The dead  
were: Amos G. Batchelder, of Wash-  
ington, chairman of the executive board  
of the American Automobile Associa-  
tion; Morris Connolly, of Dubuque,  
Iowa, instructor in aviation reserve corps;  
Lieutenant-Colonel Archie E. Miller;  
Lieutenant Stanley Ames; Lieu-  
tenant McDermott; Lieutenant Penn-  
will; Mechanic Sergeant Blumenkranz.  
The plane was a Curtiss-Eagle, which  
had been used as an ambulance. The  
letters were removed, however, and  
chairs installed for the trip to Langley  
field, where a review was held of aro-  
plane housing tests off the Virginia  
Capitol next month.  
The accident is described by officials  
as one of the worst in the annals of  
the army service. The plane had just  
crossed the Potomac River when it  
ran into the storm. Officials who  
saw the wreck were of the opinion  
that the fall had been from a great  
height.

## SIR JOS. FLAVELLE ELECTED CHAIRMAN

Heads Reconstituted All-Can-  
adian Board of Grand  
Trunk Railway.

MONTREAL, May 29.—(By Canadian  
Press.)—Sir Joseph Flavelle, Bart., of  
Toronto, was today elected chairman of  
the reconstituted All-Canadian board of  
directors of the Grand Trunk Railway.  
Howard G. Kelley was reappointed di-  
rector and president of the company.  
The other directors elected were J.  
Narcisse Dupuis, Montreal; E. L. New-  
combe, K.C., deputy minister of justice,  
Ottawa; and Alfred J. Mitchell, finance  
vice-president of the Canadian National  
Railways, Toronto.  
It was further understood that when  
the consolidation of the Grand Trunk  
and Canadian National Railways is  
finally completed, Sir Joseph Flavelle  
will be appointed chairman of the board,  
which will direct the management of  
the combined roads. It is also stated  
that the new All-Canadian board of the  
Grand Trunk is only temporary, as the  
office under the consolidation has been  
effect. It is thought in consequence  
of these changes that the Grand Trunk  
headquarters will be removed to Toronto  
with most of the executive positions of  
the road. It is stated that the new  
board was officially stated Saturday that  
the first business of the new board was  
the acceptance of the resignations of  
the English board of directors. Howard  
Kelley stepped on Saturday also that  
arrangements for the unification of the  
Grand Trunk with the Canadian National  
Railway will be proceeded with  
as rapidly as possible.  
It is stated that the Grand Trunk  
arbitration proceedings to determine  
the value to be awarded the shareholders  
by the Canadian Government on the ac-  
quisition by the latter of the road, will  
be resumed here next Wednesday with  
the same arbitrators and counsel as at  
the previous sittings.

## SPECIAL COURIER IS BRINGING NOTES

Payment of 840,000,000 Gold  
Marks May Be Made  
Today.

BERLIN, May 29.—If the train carry-  
ing the special courier of the German  
Government arrives at Paris on schedule  
time, the reparations commission about  
noon Monday will come into possession  
of the equivalent of 840,000,000 gold  
marks, the balance due from Germany  
on the first billion reparations payment.  
Each of the notes, twenty in number,  
bears the endorsement of the Deutsche  
Bank, the Dresdner Bank, the Darm-  
stadter Bank and the Disconto Com-  
pany, four leading banks of Greater  
Berlin, who volunteered their joint  
guarantee in return for the Govern-  
ment's assurance that the notes would  
be redeemed at maturity without hold-  
ing the banks financially responsible.  
The courier who left Berlin last night,  
carried the notes in an insignificant-  
looking wallet tucked away in an inside  
pocket.  
The one billion gold marks, which  
Germany will have paid as the first  
installment within the time specified by  
the Allied ultimatum, represented a  
bulky weight of 400,000 kilograms, or  
four hundred ordinary German freight  
cars would have been needed if Ger-  
many had been called upon to pay in  
gold.

## CAPTURE SHORTENS LIFE BY MONTH

TORONTO, May 29.—If Norman Gar-  
field had retained his liberty till Mon-  
day the execution of the death sentence  
upon him, fixed for June 2, would prob-  
ably have been postponed for a month  
at least. It was learned today that  
the provincial and federal authorities  
were in conference in regard to this  
yesterday, when the news came that  
he had been recaptured. Negotiations  
for postponement were then dropped,  
and it is unlikely that they will be re-  
sumed.

IN SERIOUS CONDITION.  
[Special to The Advertiser.]  
MELBOURNE, May 28.—W. T. Robin-  
son, principal of the Melbourne Contin-  
uation School, was stricken with apoplexy  
here this morning, and, attending  
physicians state that he is in a very  
serious condition. Walter Robinson, a  
student at Western University, who  
passed recent examinations with honors  
and captured a scholarship, is a son.

GEN. PORTER DIES.  
NEW YORK, May 29.—Gen. Horace  
Porter, last survivor of Gen. Grant's  
staff, died early this morning in  
his 85th year.

## PROHIBITION VOTING COST HALF MILLION

Doherty Bill Plans To Modify  
Laws Existing and Save  
Trouble.

OTTAWA, May 28.—(By Canadian  
Press.)—Right Hon. C. J. Doherty's  
bill to validate the proceedings in the  
five provinces where prohibition plebis-  
cites were taken was given first read-  
ing in the House of Commons today.  
There was no discussion on first  
reading.  
Mr. Doherty said the purpose of the  
bill was not in any way to invade the  
proper field of the courts. Its purpose  
was to modify the existing law so as  
to obviate the possible unfortunate con-  
sequences involved in any repetition of  
renewal of the plebiscite. He pointed  
out that the auditor-general, he  
found that the sum of half a million  
dollars had been paid on these plebis-  
cites, and all the bills were not yet in-  
troduced. It was not to be un-  
derstood that the Government was  
acting because of any change of view  
on the part of the law officers, who  
had been given the proclamation  
which were drawn.  
Senate amendments to the bill to  
amend the opium and drug act were  
carried without comment.

## RESCUERS FIND LAD SLEEPING

INGERSOLL, May 29.—At 1 o'clock  
this morning the town was alarmed  
by the ringing of the fire bell. A  
search for a general search for the  
six-year-old son of Charles  
Jones, Carnegie street, who had been  
missing since early in the evening.  
The parents and neighbors began the  
search at 7 o'clock. At 1 o'clock the  
fire bell was sounded, and the  
brigade turned out prepared to drag  
the river. Shortly afterwards the  
child was found sleeping in a wood-  
shed at the rear of his home. He had  
got wet early in the evening, and  
laid down in the woodpile with the  
intention of remaining there until his  
clothing dried.

## VETERANS PLANNING BIG CELEBRATION FOR DOMINION DAY

Amherstburg Program Will  
Include Big List of Athletic  
Events.

AMHERSTBURG, May 28.—An im-  
portant meeting of the executive com-  
mittee of the Veterans' Dominion Day  
celebration was held last night in the  
public library auditorium to complete  
plans for the coming reunion. Officials  
of various G. W. V. A. associations have  
signified their intention of bringing large  
delegations to Amherstburg, which  
will participate in the Dominion Day  
celebration. The program will em-  
brace all kinds of athletic events, in-  
cluding mounted and dismounted con-  
tests. This is the first attempt Amherstburg  
veterans have made to entertain  
visitors from the south-  
western peninsula, and everything  
points to it being a hummer.  
Bois Blanc summer resort opened to-  
day. For a month a large gang of  
workmen have been busy raking and  
mowing the grounds, repairing the  
buildings, seats, and the place presents  
a very attractive appearance. Since the  
close of last season the Dominion Day  
celebration has been a success. The  
Bois Blanc, have installed a modern  
filter and water purification plant, at  
a large cost, keeping the resort up to  
the high standard set by the public.  
The first big excursion of the season is on  
Monday, American Decoration Day.  
The Stansell Motor Company of Am-  
herstburg has recently been reorganized,  
and is known as "The Brock Motor  
Company." J. B. Whitley, of Detroit, at its  
head. A large amount of local capital  
has been subscribed, and the new cor-  
poration has ambitious plans for en-  
larging the local plant and expects to  
begin production on their car, the Brock  
Six, early in July. One car was pro-  
duced last month.

## MAJORITY OF 200 FOR GALT BYLAW

Plans in Connection With  
Soper Park To Be  
Carried Out.

GALT, May 29.—By a majority of 200  
in a very small vote the electors carried  
the \$15,000 Soper Park bylaw. The de-  
cision of the citizens was emphatic. 385  
of 200 votes were cast in favor of the  
bylaw, and evidence of the appreciation  
of the great work of Dr. A. Soper is do-  
ing in giving Galt what will be one  
of the finest parks in the province.  
The bylaw was carried by a vote of 200  
to 15. It is continuing the work  
He has taken a rough, undeveloped  
piece of land and turned it into a beauty  
spot.  
As a result of the bylaw carrying the  
park commission will now be able to  
carry out promises it made to Dr. Soper  
when he undertook the big contract that  
they would do certain work in carrying  
out his plans.

After a long illness Jesse Atkinson  
is dead at Davisville Military Hospital.  
Toronto. He was 58 years of age and a  
native of England. He came to Canada  
35 years ago, and had lived here eleven  
years. He went overseas with the 122nd  
Battalion and served eighteen months  
in France. His widow, five daughters  
and four sons survive. William Atkin-  
son of London is a son.  
Troy Jones, manager of the Bank of  
Nova Scotia since the opening of the  
local branch, has been notified that he  
is to be transferred to the manager-  
ship of the Sparks street branch, Ot-  
tawa. He will leave for the capital next  
month.

Mrs. J. D. Martin was held from the  
family residence to St. Marys Cemetery  
and was largely attended. Rev.  
Mr. James of Woodstock officiated. The  
floral tributes were beautiful and in-  
cluded various pillows and sprays from  
the different societies of the Baptist  
Church, of which she was a member. The

Brown, M. A. Schofield, T. Cardwell, C.  
Lewis and M. Neive.

## GERMANS IN SILESIA ARE STILL ACTIVE

Briand Sends Note To Britain  
Suggesting Committee  
of Inquiry.

LONDON, May 29.—M. Briand has  
presented a note to the British foreign  
office, pointing out that the Germans  
are continuing their operations in Up-  
per Silesia and suggesting that the  
plebiscite question await the restora-  
tion of order with the arrival of Brit-  
ish effectives.  
The French premier is further of the  
opinion that, since the reports of the  
allied high commissioners are not  
unanimous, it is desirable that the  
question be submitted to a special  
commission, including lawyers, how-  
ever, now showing a disposition to sub-  
mit to allied control, the note con-  
tinued, and it was hoped the Germans  
also would lay down their arms.  
The arrival of the British battalions  
on the way could not have the effect  
of improving the situation, in the  
opinion of the French Government, and  
it considered the work of the supreme  
council ought, in the meantime, to be  
simplified by an examination into the  
situation by a commission of experts  
who would submit a report to the coun-  
cil on the problem.

The meeting of the council, in the  
ple of the French Government, it was  
added, should be held when order was  
restored, in accordance with the treaty  
after the report of the experts had  
been handed in.

## NEW CURATE COMMENCES DUTIES IN STRATFORD

Rev. M. C. Davis is Graduate of Alma  
College, Michigan.

STRATFORD, May 29.—Rev. M. C.  
Davis, new curate at St. James  
Church, took part in the Sunday ser-  
vices there today.  
Rev. Mr. Davis was ordained into  
the ministry at Stratford last week  
and is a graduate of Alma College,  
Mich. His home is in Windsor.  
A special collection was taken up in  
aid of the General Hospital. The offering  
was very liberal one.  
Go-To-Church Sunday was also ob-  
served with special services in all the  
local churches.  
The attendance at the various  
churches showed considerable of an in-  
crease.

## MILK PRODUCERS PLAN NEW BUTTER FACTORY

Directors Elected at Well-Attended  
Meeting in Thorndale.

THORNDALE, May 28.—At an en-  
thusiastic meeting of the Milk Pro-  
ducers' Association a provisional board  
of directors were appointed for the  
purpose of incorporating a company to  
erect and manage a factory for the  
manufacture of cheese and butter  
for the sale of cream or milk.  
The authorized capital of the company  
will be \$40,000 and the shareholders  
will be called together when \$15,000 worth  
of stock has been subscribed.  
The provisional directors are: R. J.  
Stevenson, John Dawson, Dr. T. W.  
Wilson, W. F. McGuffin and John Mc-  
Kay.

The Government delegate, Miss Pert  
of Uxbridge, addressed the Woman's  
Institute at their regular meeting. Her  
subject was "Mother and Daughter."  
There were about 60 present.  
The speaker emphasized the impor-  
tance of music in the public schools  
and thought the Woman's Institute  
might assist by the purchase of a vic-  
trola. They might also help to beau-  
tify the school and surroundings.  
Miss Pert stated that the home  
should be made attractive.  
"Wax the floor and let the young  
people dance at home instead of run-  
ning off to dance halls," she said. Also  
use the best china and furniture, and  
teach them to love the home."

## HOLLY IDENTIFIED BY MANY WITNESSES

ST. CATHARINES, May 29.—At the  
inquest on Saturday on the death of  
Peter Wovava, who was shot by bands  
in his store at Port Weller on the night  
of May 25, one witness said he thought  
Peter Holly fired the fatal shot, and  
several witnesses identified Holly as one  
of the robbers in the gang that in-  
vaded Wovava's store on the night of May  
25. The witnesses spoke of a  
short stout man called Sam as being  
one of the robbers. This man has not  
been arrested yet.  
The inquest was adjourned until  
June 11, by which time it is thought  
Cosma Soponakis, who also was shot  
by the robbers, will have recovered  
sufficiently to testify.

## —Backache? —Rheumatism? —Run-down?

Those of us who are past middle  
age are prone to eat too much meat  
and in consequence develop lime-  
scales in the arteries, veins and joints.  
We often suffer from twinges of rheuma-  
tism or lumbago, sometimes from  
gout, swollen hands or feet. There  
is no longer the slightest need of  
this, however, as the new prescrip-  
tion, "Anuric," usually gives im-  
mediate results as it is many times  
more potent than lithia, in ridding  
the impoverished blood of its poisons  
by way of the kidneys. It can be ob-  
tained at almost any drug store. Ask  
for Dr. Pierce's "Anuric" (anti-uric  
acid) for kidneys or backache, or  
send 10c to Dr. Pierce's Laboratory in  
Buffalo, N. Y., for trial package.

## ELECTION RESULTS CAUSING SURPRISE

Meighen Forces Disappointed  
Over Their Heavy Defeat  
in Yamaska.

OTTAWA, May 29.—By Canadian  
Press.—The results of the by-elections  
in Yamaska and York-Sunbury follow  
lines generally expected in political  
circles, although surprise is expressed  
at the majority in both cases. York-  
Sunbury is a recognized Conservative  
stronghold and the victory of the Gov-  
ernment candidate was regarded as  
practically certain. But it was thought  
among members of the Progressive  
party that their nominee would make  
a better showing than was the case.  
Government and Liberal members alike  
interpret the result as an indication  
that the Progressive movement is mak-  
ing comparatively little headway east  
of Ontario.  
Liberals are jubilant over the ma-  
jority cast for their candidate in Yam-  
aska. Ever since confederation, the  
normal majorities of Yamaska have  
been small and it has frequently  
changed its political allegiance. Sat-  
urday's heavy Liberal majority is  
therefore regarded as a surprise. Rank  
followers generally had not much hope  
of winning the seat, but disappoint-  
ment is felt that their candidate was  
unable to secure a closer result.

## DO ALL MY HOUSE WORK

Before I took Lydia E. Pink-  
ham's Vegetable Compound  
I could hardly get about.

Cobourg, Ont.—"For many years I  
have had trouble with my nerves and  
have been in a general run down con-  
dition for some time. I could not do my  
work half of the time because of the  
trouble with my monthly sickness. I  
was told of Lydia E. Pinkham's Vege-  
table Compound by friends and advised  
to try it. It has done me good, and I  
strongly recommend it. Since I have  
taken it I have been able to do all my  
own work, and I also know friends who  
have found it good. You can use these  
facts as a testimonial."—Mrs. ELLEN  
FLATTERS, Box 761, Cobourg, Ont.
