—The great lung healer is found in that excellent medicine sold as Bickle's Anti-Consumptive Syrup. It southes and diminishes the sensibility of the membrane of the throat and air passages, and is a sovereign remedy for all coughs, colds, hoarseness, pain or soreness in the chest, broughtis, etc. It has cured many when supposed to be far advanced in consumption.

Hearschess and Brenchitis.

Among the many remedies used for the cure of coughs and colds, none more speedily gains the confidence of the sufferer than "Hallamore's Expectorant." For hearschess and bronchitis its rapid effect is surprising. In private sale during 25 years it has gained for itself an enviable reputation and produced wonderful results. A scannable Item,

—During the breaking up of winter, when the air is chilly and the weather damp, such complaints as rheumatism, neuralgia, lumbago, sore throat, croup, and other painful effects of sudden cold, are prevalent. It is then that Hagyard's Yellow Oil is found truly valuable as a household remedy.

—H. Gladden, West Shefford, P.Q., writes: For a number of years I have been afflicted with rheumatism. Two years ago I was attacked very severely. I suffered a great deal of pain, from which I was not free for a day, until last spring, when I began to use Dr. Thomas Eclectric oil, and I rejoice to say it has cured me, for which I am thankful.

which I am thankful.

—Mr. J. R. Allen, upholeterer, Toronto, sends us the following: "For six or seven years my wife suffered with Dyspepsis, Costiyeness, Inward Piles and Kidney Complaint. We tried two physicians and any number of medicines without gatting any relief, until we got a bottle of Northrop & Lyman's Vegetable Discovery. This was the first relief she got, and before one bottle was used the benefit she derived from it was beyond our expectation."

—All testimonials in favor of Hallamore's Expectorant are from well known residents of Toronto. Mr. S. J. Willcock, 129 Spadina avenue, says: "I have used Hallamore's Expectorant for coughs and colds for thirteen years, and would not be without it. It never fails to cure me."

—THE PAIN-KILLER is an almost certain sure for cholera, and has, without doubt, been more successful in curing this terrible disease than any other known remedy, or even the most eminent and skilful physicians. - In India, Africa and China, where this dreadful disease is ever more or less prevalent, the Pain-Killer is considered by the natives, as well as by the European assidents in those climates, a sure remedy.
