anual Games of Their Athletic Associa tion—P. C. Allison Captures the Championship, P. C. Guthris Second With 13 and P. C. Nichol Third With 11-4500 Persons See the Sport.

The eleventh annual tournament of the Toronto Police Athletic Association held in the Rosedale grounds was a grand success, financially and otherwise. There were fully 4500 spectators of the games, the fair sex being well represented. The tedious waits between the different competitions which have characterized some other athletic games were lacking, and the games were characterized by a vim and eclat that would compare favorably with the greatest athletic gatherings of America.

A great deal of interest was centered in the triangular tug-of-war contest between the Toronto, Montreal and Hamilton teams. Both Toronto and Montreal defeated Hamilton in the trial pulls, but the Montreal team of campaigners won by four inches in the final pull from Toronto.

The bleycle race was undoubtedly the most exciting. Burleigh, who took second place, heard the bell tinkle and spurted on the seventh lap, naturally laboring under the impression that it was the last round. He beat McClelland in past the stand, but Mac, who is an old warhorse, kept on and won, while Burleigh let down on his pace and fell behind.

The officers of the day were:

Referred (! H. Nalcon etc.) There is only one medicine for Catarrh worthy the name. Dozens are advertised, but only the proprietors of Dr. Sage's Catarrh Remedy say this: "If we can't cure you, we'll pay you—\$5500 in cash!"

They managed things admirably with the assistante of Inspectors Johnston, Stark and Sergt. McFarlane.

The bicycle race was looked after by the officers of the C. W. A., Dr. Doolittle, J. Whatmough and Fred Byer, who in the bicycling arena occupy the same position that the other gentlemen do in field sports. Police Constable Allison won the championship with fifteen points to his credit, Gnthrie was a good second with twelve, and Nicol, the weight thrower, third with eleven. The band of the Grenadiers—under the leadership of Conductor Waldron, played lively airs all the afternoon, stimulating the athletes to further efforts and making things go off with a dash. After the games were over and when the rain began nearly 75 gentlemen sat down to dinner at the Walker House last night. dinner at the Walker House last night.

The banquet was one tendered by the Toronto Police Athletic Association to the Montreal and Hamilton tug-of-war teams.

There were present: Chief of Police McKinnon of Hamilton, Chief of Police Young of Niagara Falls and Chief of Police Price of New York city, City Crown Attorney Curry, Inspectors Stark, Johnston, Hall and Sergt. Hales. Inspector McFarlane made an efficient chairman. Letters of apology were read from the Mayor and Mr. E. F. Clarke. M.L.A. The toast list was short: The Queen, The Legislature in the absence of a representative replied to by Mr. Curry, The Amateur Association of Canada, by Mr. Joseph Pearson, The Police Force of Montreal, responded to by captain of team, Sergt. Lloyd, Hamilton Police Chief McKinnen, The Ladles, Mr. Wilson, The Press, Messrs. Dunbar, Logsdale, Armstrong and Hewitt. Chief Price, Deputy Chief Stuart, Inspectors Stark and Hall and Sergt. Hales also spoke.

Notes of the Day. The average weight of the tug-of-war teams were as follows: Hamilton 205, Montreal 210, Toronto 230. Police Commissioners, Mayor Fleming and Magistrate Denison were interested specta-tors of the sports.

A number of the force say that if Charlie Slemin had entered for the 100 yards race the result would have been d fferent. Next year Sergt, Barton may be a member of the tug-of-war team.

It is a good thing for the contestants in the throwing the cuber that Murdock Munro was not entered.

There is one satisfaction and that is that the Hamilton team couldn't pull a tooth.

P. C. Armstrong of No. 4 says Detective Slemm was afraid to enter in the race against him. gainst nm.

There were four visiting chiefs at the rounds, Price of New York, McKinnon of lamilton, Roezel of Peterboro and Young of Niagara Falls.

The best race of the day was the two-mile

for policemen in uniform. The time made shows that it would take a fast burglar to get away from that field.

P. C. Anson disappointed his friends. They thought that now that he is stationed at No. 7 the bracing ozone of that part of the city would have enabled him to run faster. Patrol-Sergt. Mitchell did well, but if he

had entered for the 1/2 mile race he might have tied Champion Allison. They say that next year he hopes to show the boys some-thing. Money Saved and pain relieved by the leading household remedy.
