robity and honour, and effects the greatest ons which have ever agitated the civilized world, and whose influence will be tell upon society till the end of time. Such a vois Pe glory of his country, the honour of its name and position among the nations-nay his wn existence as a freeman, are recorded and engraven in the annuls of the "well lought fields," and "the deadly imminent breaches, the immortal battles and the glo:us steges in which Wellington and Companions in-arms gathered unlading laurels, placed their country's honour and renown on the highest pinnacle of fame and

of Italy, Egypi, and Germany.

To supply such a desideratum in English literature, the publishers of The Life and Times of the Duke of Wellington have determined to produce a book which shall present to the reader, not only the dry details which a mere biographical sketch would afford, but a comprehensive work, embracing the contemporaneous history of the period; exhibiting the circumstances which brought about the great events in which the Duke and his contemporaries were angaged, and giving to the reader a of the Warriors and Statesmen of the nine (teenth century; and this from the pen of one who was a companion in arms of the great hero, and participated with him in
