CORLAND VILLAGE, N.Y.

From Hon. H. S. Randall, J.
 Messrs. Hugh Miller & Co.,
 Dear Sirs, — I have had no opportunity of
 testing your "Tick Destroyer" in my own flocks
 — there being no ticks on my sheep — but I placed
 some of the preparation in the hands of my
 friend and neighbor, F. H. Hubbard, Esq., on the
 accuracy of whose experiments I can fully rely,
 and after testing it in several cases, he informed
 me that it thoroughly exterminated ticks. I
 have, therefore, no doubt that it will do so.
 Yours truly,

HENRY S. RANDALL.

Geared Wind Mills, for Driving Machinery, Pump-

Jan. 31st, 1885

ONTARIO PUMP Co., Toronto

GENTLEMEN, I bought one of your 16-foot
 Geared Wind Mills in February, 1884; and have
 run it since then grinding, sawing wood and
 pumping water for 35 head of stock, without one
 cent for repairs, except for grinding plates. I
 have ground upwards of 7,000 bushels of mixed
 grain with it for custom, besides my own grind-
 ing. Two weeks ago to-day we had a tornado,
 which up-rooted trees and blew down fences, but
 my mill stood the gale all right. We were saw-
 ing wood that day, cutting logs one foot in
 diameter, hard maple at that, with the mill about
 20 paces out. I could have got power enough to
 have run the feed grinder and two circular saws
 all at the same time. With regard to the grinder,
 I bought some flax seed for my calves, and run it
 through the grinder and ground it to powder. I
 am so well pleased with it that I would not take
 double the price I paid for it. Yours truly,

EDWIN KEELER,
 Maitland P.O.
