

Qu'Appelle says as to the name and objects of this Board, the Secretary point out to his Lordship that these questions cannot be dealt with by this Society, but should properly be submitted to the Provincial Synod.

9. That the Board do apply to the Secretary of S. P. G. for suggestions as to the truest way of providing for the expenses of the Rev. J. G. Waller as a married missionary, without incurring the risk of such trouble as must arise from the Canadian missionaries on the list of S. P. G. receiving a higher stipend than the missionaries placed by the S. P. G. on its own list. That the Secretary do state that the Board is most anxious to do no injustice to Mr. Waller, whose difficulties are attributable to oversight on their part, and at the same time to cause no inconvenience to the S. P. G. by following out a course different from that indicated by their regulations.

10. That the expenses of the Bishops during their visits to the Eastern Provinces be taken out of the General Fund.

11. That the lady teachers and missionaries, at present engaged in the North-West under the pay of the Woman's Auxiliaries of the various dioceses be and the same are hereby recognized as missionaries of this Board.

12. That the Secretary do communicate to the several Diocesan Branches of the Woman's Auxiliary, the respectful, earnest desire of the Board of Management, that they should seek to extend and promote the circulation of the "CANADIAN CHURCH MAGAZINE AND MISSION NEWS," published monthly by the Domestic and Foreign Missionary Society of the Church of England in Canada—that the Secretary do also inform them of the success which has attended the efforts in this direction, of the Woman's Auxiliary in Ottawa, and indicate the readiness of the Board to make the Magazine the medium of conveying the interesting information, now set forth in the Leaflets issued by the Woman's Auxiliary; should they at any time be led to desire such an arrangement.

13. That it be an instruction to the Secretary, to print the minutes of each half-yearly meeting on a slip, to be forwarded to all the members of the Board for their information, with a view to sustain the interest that should exist in the working of the Board.

14. That in view of the great importance of Indian work, and the need of its better recognition, and for more accurate information, a Committee be appointed to consider the subject, and report at the next meeting of the Board.

15. That the application of Miss Sherlock for a position as medical missionary at Japan, she having complied with the prescribed requirements of the Board, be accepted by this Board, and that the Woman's Auxiliary be requested to undertake the necessary expense, viz., not less than \$600 per annum, together with outfit and

travelling expenses to her place of destination, and that the Secretary communicate with the Woman's Auxiliary in regard to the same.

THE MISSIONARY MEETING, LONDON

WELL attended missionary meeting was held in St. Paul's Cathedral last night under the auspices of the Board of Management of the Domestic and Foreign Missionary Society of the Church of England in Canada, which is holding its semi-annual meeting in this city. The Bishop of Huron presided, and with him, on the platform, were the Bishop of Niagara, the Bishop of Algoma, Very Rev. Dean Innes, Ven. Archdeacon Jones, Rev. Rural Dean Pollard, of Ottawa; Revs. Dr. Mockridge, Canons Smith, Davis and Richardson, Dr. Sweeney, Principal Millar, Prof. Williams and R. McCosh.

The Bishop of Huron said it was the custom to hold a missionary meeting wherever the Board met, and as this year London was favoured by being selected as the place for the Board meeting, they were also favoured in having the able speakers to address the meeting. Under the circumstances His Lordship would not make a speech, but would briefly introduce Rev. Canon Sweeney, of Toronto.

Rev. Canon Sweeney referred to the pleasure it would give him to speak briefly on the general subject of missions. He pointed out that the Bible was essentially a missionary Book, as one reason for mission work, and one of its Books of twenty-seven chapters was almost entirely a record of missionary work amongst the Churches. The second reason was, for the lovers of the Lord Jesus Christ, an impressive one—the subject of missions was very near to our blessed Lord's heart, and one of His last commandments here on earth, after His resurrection, was to enforce the work of Missions. The Gospel was the message of God's love, and as such was intended for every people, tongue and nation on the earth; and deep down in the hearts of all people, to whom the Gospel had not penetrated, was the old Macedonian cry, "Come over and help us." The Lord Jesus Christ was held-up, not only as the founder and best exponent of Christianity, but also the pattern and model for all mission-
