"Gentlemen,

QUEBEC, August 10th.

I received your letter of the 15th of July, by the Rev. Mr. Delisle and have the pleasure to inform you that the application for the Jesuits' Church at Montreal has succeeded.

"Lord Porchester has approved the last report of expense for repairing the shell, amounting to more than £300, and has given orders to have the repairs done immediately; when finished the key will be given as I direct.

"I sincerely congratulate you on this event and must now request you to set about the necessary measures without loss of time for having the pews, pulpit and reading desk built with a small neat chancel and communion Table. You will please to have a proper Pew reserved for the Governor, it will also be advisable to name one for the Bishop, which he will very seldom use, and may be occupied by some family except when the Bishop is on a visit to Montreal. I beg leave to propose that the Church be called Christ's Church.

"The next thing to be done after procuring the Church is to adjust matters between Mr. Delisle and Mr. Tunstall, which I flatter myself is now done so as to preclude future disputes. Mr. Tunstall is a modest, sensible young man, of good learning and unblemished moral character. His voice is harmonious and strong enough when he exerts it; it will grow stronger by time and exercise.

Mr. Delisle remains as he was the first minister, he is to preach in French at such times as shall be judged expedient; he is also to preach occasionally in English, though not often; Mr. Tunstall is assistant and regular English preacher. He accounts to Mr. Delisle for the stated fees for marriages and burials, and no other fees are due; and Mr. Delisle in return is to pay the sum of 25*l.* a year to Mr. Tunstall. Both parties have agreed to these regulations, and I trust they will remove any ground of contest.—Let me beseech you and the Congregation to preserve order and promote peace, these are characteristics of true christianity, and are essential to the character of true members of the Church of England. Be it your endeavour to soften and quiet any uneasiness, should any arise; though I have such an opinion of the prudence and good temper of both the gentlemen that I flatter myself there will be no just cause of any on their part. I feel myself peculiarly interested in the prosperity of your congregation.

At my late visitation here I thought it advisable to give some *Injunctions* to the Clergy, they are printed and I enclose a copy for your perusal. Some things are recommended to the Church-wardens and vestries of Parishes; and I beg leave to express my wishes that you would follow these recommendations; I think you must see the propriety of them.

"Mr. Tunstall will repair to Montreal whenever you judge it necessary; perhaps it will be time enough when the Church is ready for use, which I trust will be the case before winter.—He will go up sooner if
