KATHERINE MESSENGER, No. 74 W. Main St., Corv., Pa., writes: "In case of fire the first thing I would grab would be your book. I consider the study of hypn. t. s. n. personal magnetism, etc., as you teach it, the most beneficial knowledge that one can possibly acquire. The instruction is plain and very easily understood. It has made a new woman of me. Possibilities have opened up to me that I never dreamed had existed before. Everyone should understand your grand science, and there would be less misery in the world. I consider it an honor to have my name associated with such grand work. Your dealings are fair and businesslike."

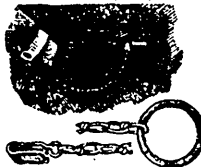

JACOB RODRIAN, Jr., Frackville, Pa., writes: "I got your book on hypn. t. s. n. personal magnetism, etc., three months ago. I am making a special study of personal magnetism as explained in your instruction. By your methods I am able to make friends and do business with people whom I could never reach before. Have tried other courses, but yours is the only one that I have found practical. It is worth twenty times what you ask for it, and I advise everyone to learn it."
