NOTES.

The new 5c. British Honduras has 'Postage & Revenue' in side labels.

* * *

The Malta ½p. and 1p. surcharged 'Revenue' are probably the forerunners of a new 'Postage & Revenue' type.

* * *

The Orange River Colony ½p. green is found once in each sheet of 240 without period after 'Colony.' The 1st vertical row of 10 stamps in the right lower pane has the E of 'ORANGE' quite noticeably out of line (lower) with the other letters. The ½p. green was overprinted with same setting as was used in surcharging the 2½p. blue Cape, and the latter shows the same varieties.

* * *

One stamp in each sheet of Perak 3c. on 50c. is without a period after 'cent.'

* * *

There seem to have been four settings of the Orange River Colony V. R. I. overprint. The 1st setting has level periods, and was applied to the ½p., 1p., 2p., 2½p. on 3p., 3p., 4p., 6p. rose, 6p. blue, 1s. and
