Blow, blow, blow! That disagreeable catarrh can be cured by taking Hood's Sarsaparilla, the constitutional remedy.

He said he could not tell a lie, George W., noble youth. With him my son George does not vie, "He" cannot tell the truth.

A Plain Statement.

Keeper (in menagerie)—"You'd better not go too close to that cage. It's none too strong, and that tiger's a savage one." Visitor—I'm trying to get acquainted with him. I believe in keeping on the good side even of a tiger." (Pulling him away) —"Then you be careful to keep on his outside."

Beware of Cholera.

The healthy body throws off the germs of cholera therefore wisdom counsels the use of Burdock Blood Bitters this spring to purify the blood, regulate the system, and fortify the body against cholera or other epidemics.

A Great Trip.—She:—"This is such a stormy season to cross the Atlantic. Was your voyage over remarkable in any way?" He.—"Well, I should say so. I held four axes twice."

The railway over the Andes, between Argentine Republic and Chili, has been so far completed that the steamship companies are selling through tickets from Southampton and Liverpool to Valparaiso by this route.

Rev. Sylvanus Lane.

Of the Cincinnati M. E. Conference, makes a good point when he says: "We have for years used Hood's Sarsaparilla in our family of five and find it fully equal to all that is claimed for it. Some people are greatly prejudiced against patent medicine, but how the patent can hurt a medicine and not a machine is a mystery of mysteries to me."

The smallest sea island on record is nine feet across, and was reported some time ago by Captain John Richards, of the British ship Cambrian Monarch, to have been sighted by him in latitude 29 degrees, 2 minutes north, longitude 137 degrees, 59 minutes west. The sea was smooth around it, and it was clearly an island, tapering upward in a pyramidal shape from below the surface of the water.

Gives Strength and Appetite.

Dear Sirs,—Last year I was very thin and reducing very fast, owing to the bad state of my blood and appetite. A friend of mine induced me to get a bottle of B. B. B. which I did. I obtained immediate perceptible relief from it, have gained strength and appetite, and now weigh 193 pounds. M. T. Murphy, Dorchester Bridge, Quebec, Que.

The Laplander sleeps in a big reindeer skin to keep him warm. The East Indian also sleeps in a bag, but it is not airtight, and is only intended to protect him from mosquitoes.

Restored To Health.

Dear Sirs,—For years I was troubled with indigestion, but being advised to try B. B. B. I did so, and find myself quite restored to health. Howard Sullivan, Pere Charvatant, founder of the order of the White Fathers, who was born in France in 1844, has been appointed to succeed the late Cardinal Lavigerie as Primate of Africa.

Wilkins and Watkins were college chums and close friends. They had been hard students and had taken little out-door exercise. When they shook hands and said good-bye at the end of their college career, they were in impaired health. Both had dyspepsia, liver troubles and troublesome coughs.

Wilkins had plenty of money, and decided to travel for his health. Watkins was poor. "I must go to work for my living," said he, "but I'll try the remedy that Robinson talks so much about—Dr. Pierce's Golden Medical Discovery." In less than two years Wilkins came home in his coffin. Watkins, now in the prime of life, is a bank president, rich and respected, and weighs 200 pounds. "The Golden Medical Discovery saved my life at a critical time," he often says. "Oh, if poor Wilkins had only tried it!" For weak lungs, spitting of blood, all lingering coughs, and consumption in its early stages, it is an unequalled remedy.

"My face is my fortune," quoth the maid. "I'm a fortune-hunter, then," he said. A Cure For Croup. Croup kills thousands where cholera kills tens. For this dread disease no remedy can compare in curative power with Hagyard's Yellow Oil. It loosens the phlegm, gives prompt relief, and soon completely cures the most violent attack.

Minard's Liniment cures Colds, etc.

Burdock BLOOD BITTERS CURES BILIOUSNESS.

Biliousness or Liver Complaint arises from torpidity or wrong action of the liver, and is a fruitful source of diseases such as Constipation, Dyspepsia, Jaundice, Loss of Appetite, Dizziness, etc. As a perfect liver regulator

B. B. B. EXCELS all others, having cured severe cases which were thought incurable. Mrs. Jane Vansickle, Alberton, Ont., was cured of Liver Complaint after years of suffering by using five bottles of B. B. B. She recommends it.
