

**The Canadian Westinghouse Company.**

One of the most interesting features of the recent convention of the Canadian Electrical Association in Hamilton was the visit which was paid to the Canadian Westinghouse Co.'s plant. From the time when electrical apparatus was first made use of in Canada, the Westinghouse Electric & Manufacturing Co.

of Pittsburgh, Pa., has furnished a large and increasing portion of this apparatus in the Dominion, until now the time has arrived when in justice to its customers it is found advisable to establish a distinctively Canadian factory, to secure that intimacy of relation which is so advantageous alike to the manufacturer and client. Passing in review the various sites suitable for the location of such

a factory, it was natural that the choice should fall on Hamilton, not alone from the natural advantages of that city from the standpoint of a manufacturer, but as well from the fact that for a term of eight years another Westinghouse interest, the Westinghouse Manufacturing Co., Ltd., had been located in that centre, engaged with marked success in the manufacture of the Westing-

# The Locomotive & Machine Company

## OF MONTREAL (Limited)
