

WILLIAMS'

IMPROVED

THE BEST IN THE WORLD.

BEWARE OF IMITATIONS.

SINGER PATTERN.

This World-Renowned Sewing Machine

Is manufactured in Montreal as well as in the State of New York, and is extensively sold in all parts of America, as well as in Europe. There are more machines of this pattern sold than of any other pattern or principle in the world, and the WILLIAMS' SINGER is now admitted by all the experts to be the best made and most durable "Singer" machine in the market. On the question of durability read the following testimonial from a lady who has used one of our machines for twelve years:—

LESLIEVILLE, Toronto, January 27, 1881.

MR. GEORGE DAWSON:

DEAR SIR,—In reply to your inquiries regarding the Williams' Singer Machine which I purchased from the Company twelve years ago, I am happy to be able to state that it has proved to be a first-class article in every respect. It has been constantly in use during the past twelve years, and has done all kinds of sewing with perfect satisfaction. It works as well to-day as when first used, and is nothing the worse of the wear yet.

MRS. GEORGE LESLIE.

In consequence of the rapid increase of our business we have been obliged to remove our Toronto Office to larger and more commodious premises in the new building adjoining the Mail office.
