**BEWARE!** I do not think of buying an Organ that does not contain an **Octave Coupler**, Sub-Bass, French Horn, Saxophone and Piccolo Stops, all of which are important. **Beware of Organs that are built of Pine and White Wood Veneered.** This Organ is a triumph of the Organ Builder's art. It is very beautiful in appearance, being exactly like the the above cut. The case is of solid Walnut (not Whitewood,) profusely ornamented with hand carving and expensive fancy veneers. The music pocket is of the most beautiful design extant. It has the best rubber Upright Bellows, with steel springs, rollers for moving, polished metal pedals, and handles, etc. It is deserving of a place in the millionaire's parlor, and would ornament the boudoir of a princess.

**REMIT** by Money Order, Express Prepaid, Bank Draft, or Registered Letter. Money refunded, and all freight charges paid if not as represented after one year's use with interest at 6 per cent.
