

From the Right Reverend the Bishop of Pembroke :

A happy idea is that of your international pilgrimage to Paray-le-Monial to do homage to the Sacred Heart of Jesus at the close of the century. The project has my warmest sympathies and I heartily give my approbation. I would be most happy to join this pilgrimage, and I regret that my occupations will prevent me from having this pleasure and consolation.

From the Most Reverend the Archbishop of Montreal :

I desire to cooperate heartily in the work of those eminent men who, throughout the world, are, at the present time, engaged in promoting the project of a pilgrimage to Paray-le-Monial. And it is my hope that many from the Diocese of Montreal will go and draw copiously from this ever abundant source of mercy and grace. The promises of the Saviour to Blessed Margaret Mary are our guarantee : all who will make this pilgrimage piously shall return laden with favors for themselves and their families. . . .

The formal approbation and blessings granted by our Archbishops and Bishops are the best guarantee of the success of the Canadian pilgrimage to Paray. It remains for all who have the means and the leisure, to go and perform a solemn act of homage to the Sacred Heart of Jesus in the venerable sanctuary which He Himself designed to visit.

SOME PILGRIMAGE DETAILS.

OUR Canadian pilgrims shall consecrate themselves to the Sacred Heart by a special act at Paray-le-Monial in June next. All MESSENGER readers who cannot be present at Paray-le-Monial, and who desire, however, to give their adhesion to this Act of Consecration are requested to send in their names to the MESSENGER Office. These names are going to be inscribed in a specially prepared album which will be placed in the sanctuary of the Apparitions. In order to simplify the sending of the names to this office, Promoters should take the work in hand themselves. They may give the lists to the Director or Local Secretary or send them in directly to us. All lists should bear the title : "*For the Pilgrimage Album*," and should reach the MESSENGER Office before the first of May.

— It has been suggested by one of the Bishops that every Canadian parish should have some one to represent it at Paray-le-Monial. This is an excellent idea. Not merely would it give an eminently national
