EDUCATION DEPARTMENT, ONTARIO,

TORONTO, 29th April, 1886.

Sir,—I have been informed that many High School Masters and Assistants would gladly avail themselves of a course of lessons in Botany during the summer vacation, provided arrangements were made by the Education Department for that purpose.

It has occurred to me that a series of lectures by some competent teacher each forenoon for three weeks, with field work in the afternoons, would be such a happy combination of both theory and practice as would secure the best results, and at the same time prove the least it is many who could not very well dispense with the relaxation which the summer vacation is intended to provide. The lectures would be given in the Public Hall of the Education Department by Mr. Spotton, M.A., and the field work directed according to his instructions.

As it is desirable to ascertain the number likely to take this course in order to complete arrangements, would you kindly let me know, at your earliest convenience, how many of your staff are prepared to join this class.

Yours truly, GEO. W. ROSS.

CIRCULAR TO PUBLIC SCHOOL INSPECTORS.

Education Department, Ontario, Toronto, May 1st, 1886.

SIR,—The Drawing Classes conducted at the Education Department, Toronto, during the last two summers will not be continued during the current year. It is nevertheless desirable in order still further to qualify teachers in this subject, that facilities of some kind should be offered for their self-improvement. Instead of the classes formerly taught at the Department it is now proposed to give a grant to each Inspectoral Division in which a class is formed for instruction in elementary drawing.

The conditions on which such classes may be formed are:—

- t. The class must consist of at least ten persons holding a Public School Teacher's Certificate.
- 2. The teacher in charge must possess a legal certificate to teach drawing; or be approved of by the Education Department.
- 3. At least 30 lessons of two hours each must be given.

 That here who attend this course will be allowed
- 4. Teachers who attend this course will be allowed to write at the Departmental Examination in Drawing in April, 1887.
- 5. The Primary Drawing Course only shall be taught.
- 6. A grant of \$20 will be made for each class of ten pupils but only one class will be paid for in any Inspectoral Division.

Will you be good enough to inform the teachers of your Inspectorate of these proposals in order that they may make the necessary arrangements for organizing classes.

Yours truly,

GEO. W. ROSS.
Attinister of Education.
