

Skin Energy

The skin is an important contributor to the sum of human energy. So long as it is kept fresh, pure and healthy, it is an inspiring and an invigorating influence; and the best known means of keeping it in that condition is to use

Pears' Soap

This completely pure soap, which has been the leading toilet soap for a hundred and twenty years, contains in perfect combination the precise emollient and detergent properties necessary to secure the natural actions of the various functions of the skin.

There is a permanent feeling of freshness, briskness and vitality about a skin that is regularly washed with Pears. The skin surface is always kept soft and fine and natural.

The skin is kept fresh and young looking by using Pears which lasts twice as long, so is twice as cheap as common toilet soaps.
