

# Safford Radiators

Ahead of all for  
Heating by  
Hot Water or  
Steam.

Are made in  
various shapes  
to fit  
Corners, Angles,  
Columns and  
Curves; the  
latter is shown  
in the drawing.

They are of varying heights, as needed, and Plain or Ornamental, as one's taste dictates.

MADE ONLY BY

**The DOMINION RADIATOR COMPANY, Limited**

TORONTO, ONTARIO
