Mr. H. E. NELLES has declared a second dividend, amounting to five per cent. of liabilities, in the matter of J. M. Lorgan & Co., of London, Ont., making thus far 45 cents in the dollar.

TRACK-LAYING is completed on the Ontario and Quebec railway fourteen miles west of Perth, and the work is now proceeding at the average of one mile per day. The track has been laid close to the village of Maberly.

A NAIL factory has been established at St. John's, Newfoundland, under the management of Mr. F. O. Dunham, from the nail works of S. R. Foster & Son, of St. John, N.B.

COUNTERFEIT Dominion \$4 notes have been passed lately at Moncton, N.B., by parties who are said to be equipped with worthless Bank of Prince Edward Island notes also.

THE force employed on the C. P. R. construction work the other day when the extraordinary record of over six miles was made, was twenty-four men who handled the iron, twelve who unloaded it off the cars and reloaded it on the trollop. It took the same number to lay it down on the track. The total number of rails laid that day was 2,120 (604 tons).

and Excise Tariff, as recently amended, and corrected to the 26th ult. Some 40 of the 110 pages of the work consist of a list of Canadian warehousing ports, exchange tables, value of foreign currencies, &c.

STRICTLY natural mineral waters are surely to be preferred to the articles compounded by chemists. Apollinaris is one of the best of these; "Polly," as it called by *Punch*, is now quoted as low as 15c for quarts and 10 $\frac{1}{2}$ for pints. Seventy thousand cases were sold in the United States last year, and the sales are increasing. Messrs. Henry Chapman & Co., this city, are the sole agents for Canada.

Owing to a *lapsus calami* last week, Messrs. Costello Bros. of Renfrew were made to have compromised *twice* formerly at 50 cents in the dollar; it should have read *once* only. Mr. Wm. Nolan, the uncle to whom they assigned, claims to have had over 20 years' business experience. The store at Griffith is held as part of the general estate. Correspondents will kindly write proper names and important terms as legibly as possible.

their endeavors to provide our people with gas at much lower rates than those now prevailing. They claim to have secured the written agreement of 85 per cent. of our present consumers to use the gas of the new company for five years, provided the price charged is at least 22 per cent. lower than the rate now charged by the Montreal Gas Company.

A MEETING of creditors of Messrs. Clark & Huggart, oil refiners, etc., Woodstock, Ont., who recently assigned in trust, was held last Tuesday. A statement was submitted, showing liabilities of about \$28,000, of which \$10,000 was secured. Their trouble is said to be largely owing to heavy expenditure on building improvements; they are reported to have sunk \$11,000 in this way during the past eleven months. Among the creditors rank Mr. Clark's father and mother, the latter for some \$6,000.

A DESPATCH from Halifax says: The customs officers discovered last Wednesday a number of boxes of contraband tobacco being landed from a coasting schooner at one of the city wharves. The vessel and goods were seized, the former being stripped and taken to the Marine and
