S. S. LESSON HELPS

FOR 1895.

PELOUBET'S SELECT NOTES.

A Commentary on the Sunday-school Lessons for 1895.

Dr. Peloubet's twenty-one years' collective experience has enabled him to become minutely familiar with just the requirements of such a book, and his unrivalled library and corps of assistants bring to his hand the clearest thoughts of the world's profoundest students.

The first six months completes the Life of Christ studies, and will present in telling language the best thought of eighteen centuries regarding the life, work, and teachings of the Master.

In the latter half of the year the lessons are in the Old Testament, where such exact knowledge and careful instruction is needed in order to adapt to modern life the laws and history of the Israelitish nation.

Sent postpaid on receipt of price.

Bound in cloth, price - \$1.25.

Our Newest Issues

Japan, the Land of the Morning.

By REV. J. W. SAUNBY, B.A., Illustrated, \$1. "Nothing could be more timely than this charming book on Japan - - - Mr. Saunby spent a number of years in Japan, and, being a keen observer, he has gathered together material which has proved most valuable in his entertaining pen-pictures."—*London Advertiser*. "The best work on Japan we have seen in recent years."—*Rev. Dr. Withrow, in Methodist Magazine*.

Motley: Verses Grave and Gay.

By J. W. BENGOUGH, late Editor and Artist of *Grip*. 106 original illustrations by the Author and other Canadian Artists, \$1. "Mr. Bengough has a delicate touch and the gift of mediocre composition, and his verses run along as smoothly and easily, as a brook."—*Hamilton Herald*.

Forest, Lake, and Prairie:

Twenty years of frontier life in Western Canada—1842-1862. By JOHN McDUGALL. With 27 full-page original engravings by J. E. LAUGHLIN

Few men living in the Canadian Northwest have passed through experiences so thrilling and varied as this intrepid missionary. The pages fairly bristle with "moving accidents by flood and field." The illustrations are very cleverly done, and an original design from the artist gives a striking appearance to the cover.

IMPORTANT

To TEACHERS, TRUSTEES and SCHOOL BOARDS

THE EDUCATIONAL JOURNAL TEACHERS' BUREAU

As intimated in a previous number of *The Journal*, we are perfecting our arrangements for opening a Bureau of Information for the mutual benefit of Trustees, School Boards, and Managers of Educational Institutions of every Grade, on the one hand, and of Teachers seeking engagements, on the other.

We are about to communicate directly by Circular with all the School Boards in the Province, in order to gain full information with regard to vacancies to be filled before the reopening of the schools. We expect within a very few weeks to be in possession of particulars with regard to a large number of vacancies.

We hope, therefore, shortly to be in a position to invite communication from teachers of all grades who, for any good reason, may wish to learn about such vacancies with a view to making application.

Fuller information will be given in next number.
