

THE STORY OF A WILL.

(From the Toronto Mail.)

To the Editor of the Mail: Having seen a letter in your paper from Mr. John Cooper, of this town, reminded me of an incident which occurred about three years ago. A friend of mine, Mr. A. Seymour, was staying at Vermillion Bay, on the C. P. R., west of here. A legacy was left to him by an uncle in London, England. Mr. Seymour was in such bad health at the time that he thought he would not be alive when the legacy would reach here. He therefore wrote to me asking me to have his will prepared and sent to him for signature, etc., appointing me as the legatee in trust. The will was prepared by John M. Munn, Esq., barrister, of this town, and was sent to Mr. Seymour. It was returned to me duly executed, and is still in my possession.

In the same letter was a request to send half a dozen bottles of Warner's Safe Cure, and some pills. I sent them. I received a letter some time after asking me to send some more, as he was feeling much better. I did so, and the next I knew Mr. Seymour himself came to town and told me (and looked it) that he was a well man. He got his money through the Ontario Bank here, and is now in British Columbia, and was in good health when I last heard from him.

I may say that I know both Mr. and Mrs. Cooper well, and the facts in Mrs. Cooper's case are as stated in Mr. Cooper's letter.

You can publish this or not, as you think fit, as it is nothing to me either way.

Yours, etc., W. C. DOBIE, J. P.
