Life & Accident Insurance,

On the Most Favorable Terms.

ACCIDENT DEPARTMENT.

The TRAVELERS INSURANCE COMPANY, in its Accident Department, is a General Accident Insurance Company, granting policies of insurance against Death or wholly Disabling Injury by ACCIDENT to men of all trades, professions, and occupations, at rates within the reach of all. It insures against accidents by machinery, accident from the use of tools and implements, accidents that occur in the usual and lawful avocations of life, as well as accidents of travel.

LIFE DEPARTMENT.

In its Life Department, the TRAVELERS grants full LIFE and ENDOWMENT Policies, embracing the best features of the best companies, but without the complications or uncertainties of the note system. It sells insurance rather than future "dividends." Its contract is a plain one, its security is ample and unquestioned, and its rates of premium are exceedingly low. It prefers to do business on a cash basis, and thus give its policyholders advantages not attainable under the credit system.

Premium system, the favorite low rate cash plan.

All policies non-forfeitable. Its ten, fifteen and twenty year policies can be converted into Endowments, at the option of the Insurant. This feature is original with this Company.
