Mr. Harry Wheeler,

Teacher of English and Italian Singing and Cultivation of the Voice at the

NEW ENGLAND CONSERVATORY OF MUSIC, BOSTON, MASS.

(In which Institution he has been engaged for the past eleven years), will spend the summer months in Toronto, Ont., and receive a limited number of pupils. Mr. Wheeler's method of

VOICE BUILDING

is of the old Italian school. Especial attention will be given to the Physiology of the Vocal Organs. Notice is called to a work by Mr. Wheeler upon this subject, just published by the New England Conservatory of Music.

Particular attention will be paid to a correct mode of *respiration*, *staying of tones*, *vocal technic* and *treatment of registers*. Students will be taught a method by which they will be enabled to continue their vocal improvement. An especial line of study will be afforded those preparing to teach VOCAL CULTURE. No charge will be made for examining voices, and a frank opinion will be given. Persons desirous of being received as pupils can complete arrangements by addressing Mr. WHEELER at the New England Conservatory of Music, Boston, Mass., until June 28th; after that time at A. & S. Nordheimer's Music Store, Toronto.
