

MISCELLANEOUS.

A London publisher has undertaken the publication of a newspaper on postal cards. The initial number contains four illustrations, a comic tragedy, a few alleged puns and some advertisements.

TARIFF REFORM.

Tariff Reform is in the air. The praises of B. B. B. are also heard everywhere. No other medicine cures all diseases of the stomach, liver, bowels and blood so rapidly and so surely as Burdock Blood Bitters.

In personal appearance Mr. Giffen, the Controller-General of the new Labour Department, is short and stout. He wears spectacles, and speaks in a soft, kindly voice, in which there is little left now of the Scotch accent.

FOREWARNED IS FOREARMED.

Many of the worst attacks of cholera morbus, cramps, dysentery, colic, etc., come suddenly in the night and speedy and prompt means must be used against them. Dr. Fowler's Extract of Wild Strawberry is the remedy. Keep it at hand for emergencies. It never fails to cure or relieve.

The large tunnel between Capri and Acquafredda, on the Pisciotta-Castrocucco Railway has recently been successfully driven. The tunnel, which is three and a half miles long, was commenced about three and a half years ago.

Tested by Time.—For Throat Diseases, Colds and Coughs, Brown's Bronchial Troches have proved their efficacy by a test of many years. The good effects resulting from the use of the Troches have brought out many worthless imitations. Obtain only Brown's Bronchial Troches. 25 cts a box.

Hooded crows in the Shetland Islands hold regular assizes at stated periods, and usually in the same place. When there is a full docket, a week or more is spent in trying the cases; at other times a single day suffices for the proceedings. The capitially condemned are killed on the spot.

A COMPLICATED CASE.

Dear Sirs,—I was troubled with biliousness, headache and loss of appetite. I could not rest at night, and was very weak; but after using three bottles of B. B. B. my appetite is good and I am better than for years past. I would not now be without B. B. B., and am also giving it to my children.

Mrs. Walter Burns,
Matland, N. S.

England's great naval stronghold, Portsmouth, is to have its facilities increased by the construction of two new docks. Each will be 500 feet in length, and capable of accommodating the largest battleships. The older docks at this place were built by convict labour, but the new ones will be constructed by contractors.

STICK TO THE RIGHT.

Right actions spring from right principles. In cases of diarrhoea, dysentery, cramps, colic, summer complaint, cholera morbus, etc., the right remedy is Fowler's Extract of Wild Strawberry,—an unfailing cure—made on the principle that nature's remedies are best. Never travel without it.

Place a guard on your lips, but in a penholder place one of Esterbrook's smooth writing pens.

The man who talks everlastingly and promiscuously, who seems to have an exhaustless magazine of sound, crowds so many words into his thoughts that he always obscures, and very frequently conceals them.—Washington Irving.

In view of what Hood's Sarsaparilla has done for others, is it not reasonable to believe that it will also be of benefit to you?
