If an International Federation chooses to test an Athlete who is not an International-Level Athlete, it must recognize a TUE granted to that Athlete by his or her National Anti-Doping Organization.]

4.4.4 A *Major Event Organization* may require *Athletes* to apply to it for a *TUE* if they wish to *Use* a *Prohibited Substance* or a *Prohibited Method* in connection with the *Event*. In that case:

4.4.4.1 The *Major Event Organization* must ensure a process is available for an *Athlete* to apply for a *TUE* if he or she does not already have one. If the *TUE* is granted, it is effective for its *Event* only.

4.4.4.2 Where the *Athlete* already has a *TUE* granted by his or her *National Anti-Doping Organization* or International Federation, if that *TUE* meets the criteria set out in the International Standard for Therapeutic Use Exemptions, the *Major Event Organization* must recognize it. If the *Major Event Organization* decides the *TUE* does not meet those criteria and so refuses to recognize it, it must notify the *Athlete* promptly, explaining its reasons.

4.4.3 A decision by a *Major Event Organization* not to recognize or not to grant a *TUE* may be appealed by the *Athlete* exclusively to an independent body established or appointed by the *Major Event Organization* for that purpose. If the *Athlete* does not appeal (or the appeal is unsuccessful), he or she may not *Use* the substance or method in question in connection with the *Event*, but any *TUE* granted by his or her *National Anti-Doping Organization* or International Federation for that substance or method remains valid outside of that *Event*.

[Comment to Article 4.4.4.3: For example, the CAS Ad Hoc Division or a similar body may act as the independent appeal body for particular Events, or WADA may agree to perform that function. If neither CAS nor WADA are performing that function, WADA retains the right (but not the obligation) to review the TUE decisions made in connection with the Event at any time, in accordance with Article 4.4.6.]

4.4.5 If an *Anti-Doping Organization* chooses to collect a *Sample* from a *Person* who is not an *International-Level* or *National-Level Athlete*, and that *Person* is *Using* a *Prohibited Substance* or *Prohibited Method* for therapeutic reasons, the *Anti-Doping Organization* may permit him or her to apply for a retroactive *TUE*.
