Chicago, Ill.

Dear Dr. Kerr:-

On my return to Montreal this morning I found awaiting me your telegram of last Friday reading as follows:

When do you anticipate returning to Chicago from Kansas City and how much time will you have at your disposal? The Graduates desire to arrange a suitable meeting and on receipt of your answer will wire you subject of your address and arrangements.

I think that I can give you the assurance that I shall return to Chicago from Kansas City on the morning of November 30th and would gladly spend twenty-four hours in the city. I know that day is your Thanksgiving Day and perhaps it would be inconvenient for the members of the Society to get together then. However, I want to spend at least twenty-four hours in Chicago and I want to meet the McGill people.

With all good wishes, I am,

Yours faithfully,

Principal.
