San Fernando,
Trinidad, B.W.I.

Dear Dr. Murray,

Your letter of the 4th February has been sent on to me by our representative on the "New Northland", the Reverend H.J. Keith. Unfortunately, I had such an accumulation of work ahead of me that I was unable to make the trip, much to my regret.

There are two preparatory schools in Montreal both of which we can recommend, Lower Canada College and Selwyn House School, 3458 Redpath Street, the headmaster of which is Mr. G.H. Wanstall. Other Canadian schools which I believe have good preparatory departments are Bishop's College School, Lennoxville, Quebec - headmaster, Mr. Crawford Grier; Trinity College School, Port Hope, Ontario - headmaster, Rev. Mr. F.G. Orchard; Upper Canada College, Toronto, Ontario - headmaster, Dr. W.L. Grant; Ridley College, St. Catharines, Ontario - headmaster, Rev. R. Griffiths; Ashbury College, Ottawa, Ontario - headmaster, Rev. G.A. Woollcombe.

I am asking Mr. Wanstall to send you information concerning his school, which I hope will interest you.

Yours faithfully,

Principal.
