minerals, the
phy and topo-
as parts of the
ries belonging
ntier and the
d submitted to

the War Department for approval, and has been sanctioned. You are, therefore, authorized to be absent from the army until October, 1833. It is understood that the government is to be at no expense in reference to your proposed expedition, it having originated with yourself; and all that you required was the permission from the proper authority to undertake the enterprise. You will, naturally, in preparing yourself for the expedition, provide suitable instruments, and especially the best maps of the interior to be found.

It is desirable, besides what is enumerated as the object of your enterprise, that you note particularly the number of warriors that may be in each tribe or nation that you may meet with; their alliances with other tribes, and their relative position as to a state of peace or war, and whether their friendly or warlike dispositions towards each other are recent or of long standing. You will gratify us by describing their manner of making war; of the mode of subsisting themselves during a state of war, and a state of peace; their arms, and the effect of them; whether they act on foot or on horseback; detailing the discipline and maneuvers of the war parties; the power of their horses, size, and general description; in short, every information which you may conceive would be useful to the government.

You will avail yourself of every opportunity of informing us of your position and progress, and at the expiration of your leave of absence, will join your proper station.

I have the honour to be, Sir,

Your obt. servant.

ALEXANDER MACOMB,

Major - General, commanding the Army

Capt. B. L. E. BONNEVILLE,
7th Regt. of Infantry, New York.
