

TABLE VI.

Words of Two Syllables, accented on the first.

[The single accent (') denotes the right emphasis of the syllables, and the double accent (") shews that the following consonant is to be pronounced double; thus, ba'nish is pronounced bannish.]

Ab' ba	an vil	bor row	cam phor
Ab bot	ar bor	boun ty	can oel
ab bess	arch er	brack et	can oer
ab bey	arc tic	brand ish	can did
