senior fixture with T. R. & A. A. last night, and under the O.H.A. rules

last night, and under the O.H.A. rules they had to default the game. The Classic City outfit took their six men and picked up Jack Burrill, the T. R. & A. A. spare wing man, and gave the black and white an exhibition battle. Toronto made it workout, and won, 15 to 5.

Both teams took it easy, but gave the small crowd something to look, at by opening up some nice rushes. T. R. & A. A. could just as well have made it 45 to 5, but they were satisfied with the going. It was a friendly encounter and clean hockey was played thruout.

Burrill was the best man on the ice for Stratford when he wanted to liven it up. He took matters easy during the first half, but after the rest he was a regular little hornet. Back-checking and some nice individual rushes were what he peddled. It helped to make the game interesting.

died. It helped to make the game interesting.

I The T. R. & A. A. forward line had things all their own way and they showed some real nice combination. Meeking had a lot of fun, going right thru to the net and skating around Wicke, until he had him dazzled, and then shoving the puck in. Every man on the T. R. & A. A. team showed good work, while Stratford were lacking in condition and team play. The teams:

T.R. & A.A. (15)—Goal, Addison; point, Hunter; cover, Heffernan; rover, Mackenzie; centre, Meeking; right, Brown; left, McLean.

Stratford (5)—Goal, Wicke; point, Dillon; cover, Scholtz; rover, Crane; centre, Lowe; right, Thompson; left, Burrill.

Five games were played in the Call and Lakeview. The defeat of R. Rennie of Queen City by P. J. Hayes of Lakeview will be received as a surprise. Hayes was 3 down the 13th end, but wound up with 2, 1 and 2 for a victory by two shots. The other games went about as expected. Scores:

O.H.A. game at the Arena tonight.

Watford juniors have defaulted. The Toronto pro. squad looked a little more lifelike at practice yesterday. Roy McGiffin, fresh from a hospital bed, was out. He did not get into uniform ed pretty fair form, considering his two

which stopped him from showing his form Saturday night, and he was going Harvey Sproule will referee the Mid land-T.C.C. penior game at Midland to night, and Gren. Caldwell of Barrie wil handle the return game here.

Kingston seniors play in Peterboro

Intermediate games scheduled for agara Falls and Welland last night vopostponed owing to the lack of ice. Parkdale seniors will play the return O.H.A. game at Preston on Thursday night, with Wally Hern as referee. T.R. & A.A. cinched their group when Stratford defaulted to them last night.

Stratford juniors will make a great bid for the championship this season. Most of the Classic City "kids" have had a try-out in senior company this season, and have done good work. They have not lost a game in their district, winning six in a row, all by good margins. T.C.C. and Orillia had better look out. There will be no professional game here until Saturday night, when Quebe meets the Tecumschs. This game wil be played under the seven-men rule which goes into effect Feb. 1.

\*The Riversides play McCormacks to-night on No. 2 rink, Don Flats, in the To-ronto Hockey League. All players and supporters are asked to turn out early. The O. H. A. sub-committee decided three protests at its meeting yesterday. Seaforth's protest against Goderich was not allowed. The mix-up of the mekepers at the Hamilton-Niagara Falls game was aired and the game was thrown out. It will be replayed if it affects the group standing.

Charles Langman, who went out with the Hamilton Alerts, made a statement of his case and asked for reinstatement, but no action was taken. Cobalt Defeats Nipissing. COBALT, Jan. 28.—Cobalt Lake team lefeated the fast Nipissing team here to-

night in a good, snappy game, by 9 to 4. Cobalt's victory ties them with Nipissing for first place. The ice was fast and a large crowd was present. From their showing last night, the wise ones are picking Cobalt Lake to win the league.

To close out the balance of all our Special Sale Collars before the end of the month, we have marked them half of even the great sale price. This is occasioned by the lack of sizes 15 and 15 1-2, and the fact that many are soiled from handling. It offers an opportunity for all men to secure a year's supply away less than the cost of manufacture, for the first trip to the laundry will put them in good shape. Double-fold collars, straight band collars, turn point or wing collars, low turn-down and cut-away styles in various depths. Great selection from which to choose.
