the Canada Landed Credit Company, 4½ per cent; and the National Investment Company of Canada, 3½ per cent.

A new furniture factory is to be opened shortly at St. John, N.B.

A new industry—the manufacture of plates and spoons out of white metal—has been started in Quebec.

A new vinegar manufactory has been established at St. Louis of Lotbinière, to be known as the "Eureka" Vinegar works of Quebec. This factory is said to be the second largest in the Dominion.

There is a project on foot to start a button factory at Brantford, Ont., capable of employing about 200 hands. A spinning factory is also talked of. Brantford offers special inducements, and is a first-class railway cent.

Mr. Wilby, whose large woollen mills at Weston, Ont., were lately destroyed by fire, has received invitations from the northern suburb of Yorkville and from Orangeville, Ont., to rebuild in these localities. Orangeville offers a bonus of \$20,000, and 20 acres of land, for the purpose, but Mr. W. has not yet decided.

ACHILLE ARCHAMBAULT, of L'Assomption, Que., returned to the city this week, and offered to settle with his creditors at 50 cents secured. The document is now passing round for signatures, and it is altogether likely that the offer will be accepted.

W. G. CURRY & Co., of Colchester Township, Essex, Ont., burn 1,000 cords wood per month and 12,000 cords per annum in the charcoal works, and export to the United States about 480,000 bushels coal, to be used in the manufacture of charcoal iron, per year.

It is reported that a company with a capital of \$40,000 is being organized in Kingston, for the

purpose of manufacturing iron ware. Capt. J. H. Radford, Kingston, has undertaken to press \$0,000 tons of hay in Prince Edward County, or A. G. Cook & Co, Oswego, at \$2.50 per ton.

REAL ESTATE in the County of Huron is steadily advancing in value. Mr. John Troyer, of Hills Green, recently sold his farm of 100 acres on 7th Con of Hay, with good brick house and excellent outbuildings, for \$6,000. Mr. John Boyd, who is about leaving for Nebraska, has sold his farm of 100 acres on 6th Concession Colborne for \$6,000, and Mr. E. Forsyth has disposed of his 48 acres on the Mill Road, Tuckersmith, for \$2,000.

ACCORDING to the late report of the Ontario Superintendent, there are fifty-nine mutual fire insurance companies doing business in that Province. Little wonder some of the agricultural companies find it up-hill work.

MR. ISAAC AVES has purchased the crop of ice on the millpond of Messrs. Mowat & Son, Stratford, Ont., and is taking contracts for filling the Grand Trunk and the other ice houses in the town. Last year the ice off this pond was largely sold in New York and other American cities.

MR. MATTHEW ELLIOTT, of Kingston, Ont., has lost heavily by the misfortune which befel the "S.S. Ottawa" lately down the river. The greater portion of the sheep which she carried belonged to him, and nearly all perished.

THE PEOPLE of Windsor, Ont., complain loudly of the extent to which smuggling is carried on, chiefly by the fair sex, and suggest that the lady examiner be again employed, more especially now that hoop-skirts are coming in.

EXCAVATIONS for a complete system of sewerage will be begun in a few days at Woodstock, Ontario. D. W. KERN & Co., of Woodstock, are turning out some ten or twelve organs weekly. The E. G. Thomas factory, just completed, will have a like capacity. Messrs. Jas. Hay & Co. of that town, whose glue factory is now nearly finished, give employment to some 225 hands, and thus is Woodstock progressing.

MESSRS. KERN, OLIVER & Co., Palmerston, Ont., having had some difficulty in meeting their payments as they mature, have called a meeting of their creditors at Guelph for the 9th inst. This is the firm who, it will be remembered, removed their foundry from Mitchell for a bonus of \$5,000. Is it not about time some of this bonus granting business was stopped?
