place \$10,000. This was done, Colfins getting 16 to 5.

"I'll win the colt out," averred Brown as he walked into the clubhouse to see the running. The nervy speculator's luck was not with him to-day, however, for Sewell was left at the post.

The winner was Kentucky Beau at 4 to 1, which won easily from George S. Davis at 50 to 1, with ex-Joekey Frank O'Nell's tantastic at 20 to 1, third. Brown recently imported the jumpers John M. P. and Desert Chief from England at a cost \$26,000. Next year he will be seen cutting a large swath in metropolitan turf affairs.

Time .24, .51 4.5, 1.16 2-5, 1.41 8-5, 1.53. Post 7 minutes. Start good. Won, easily, the start good of the challenge first from Norsense and then Gilpin in the last quarter and was well in hand at the end. Gilpin took the short route and saved ground at every turn. Nonsense was tiring. Parkville was crowded on the fence rounding the first turn and fell. Winner George Hendrie's ch.c., by Maddallo—Mary Cowan.
