Bad Complexions

Peeled Off At Home

The girl with the poor complexion complains, "I have to touch up my cheeks. I am sallow and a sight, and only my makeup saves me."

Now, as a matter of fact, more women spell their good looks than improve them with cosmetics. The practice certainly is unnecessary, now that the virtues of ordinary mercurized wax as a beautifier have become known. It has been found that the wax has wonderful absorbent powers. It causes the faded, discolored, scurf skin to flake off in bits, almost imperceptible particles, gently, gradually, as to cause no inconvenience at all. In this way the old complexion is actually removed—like all the fine lines, freckles, pimples, blemishes, moth patches and other surface defects. A new complexion appears as clear, smooth, youthful, healthy—hued skin such as no rouge, powder or cream can produce. Mercurized wax has been had at any drug store in convenient size package, is applied like cold cream and allowed to remain on over night—adv.

CURED HIS RHEUMATISM!

"I am 32 years old, and I doctored for rheumatism ever since I came out of the army over 20 years ago. Like many others, I spent money freely for so-called cures and I have read about 'Uric Acid' until I was sick of it. I could not sleep nights or walk without pain; my hands were so sore and stiff I could not hold a pen. But now I am again in active business and can walk with ease or write all day with comfort. Friends are surprised at the change. You might just as well attempt to put out a fire with oil as try to get rid of your rheumatism with neutralizing and like complaints by taking treatment supposed to drive Uric Acid out of your blood and body. It took Mr. Ashelman fifty years to find out the truth. He learned how to get rid of the true cause of his rheumatism—other disorders, and recover his strength from 'The Inner Mysteries,' now being distributed freely by an authority on the scientific study of this trouble. If any reader of The Advertiser wishes 'The Inner Mysteries of Rheumatism,' overlooked by doctors and scientists for centuries past, simply send a postcard or letter to H. P. Celarwater, 25th street, Hallowell, Maine. Send now lest you forget. If not a sufferer, cut out this notice and hand this good news and opportunity to some afflicted friend. All who send will receive it by return mail without any charge whatever.
