Young Eligible Had Busy Time Dodging Army of Recruiting Sergeants.

GIVE NOTICE TO COMPANY

Members of City Council Decided to Cancel the Franchise of National Gas.

FAMILTON, Friday, March 10.-The young eligible men of this city spent HAMILTON, Friday, March 10.—1ne
young eligible men of this city spent
a very unpleasant day yesterday dodging
small army of recruiting sergeants the military authorities turned loose on the streets in an endeavor to bring up the daily average of applicants here. Despite the fact that 350 men of the 173rd and Tiger Battalions worked all day on the streets and thru some of the factories and offices, the response was the poorest here for many a day. The total number of applicants that passed thru the depots of the 170th and 173rd amounted to 35 men, while the number of applicants that passed thru the depots of the 170th and 173rd amounted to 35 men, while the number of the tracting depot has been opened in East Hamilton, where Lieut. "Chic" Farrar is in charge. Capton (Dr.) W. G. Thompson, the well-known Tiger supporter, has been appointed to succeed Captain Telford to the command of No. 2 Division Army Medical Corps. Capt. Telford is going overseas with the Dental Corps.
The members of the boys are "sore." Lieut.-Col. Bruce announced that he had received another 330 for the battalion motor truck, but \$170 more is needed.

It is claimed that a modern station will be built on the site of the present one, and that the property recently acquired will give the company ample track room. Give Notice Immediately. Notice of the cancellation of the fran-chise now held by the National Natural Gas Company will be given immediately, according to a decision reached by the members of the city council at a private meeting held last night to discuss the question. The council approved the ac-tion taken by the board of control in the matter, and the members were prac-tically unanimous in their decision. The question of the Toronto-Hamil-ton highway entrance into the city was also considered. The action of the board of control was approved, and it was de-cided to leave the matter entirely in the hands of the committee appointed by the board of control.
