MEMBER FOR PORT ARTHUR REPUDIATES THE STATEMENT CONCERNING RESIGNATION

Brigadier-General Hogarth Says Reported Announcement by Minister of Mines, That He Has Asked Speaker of Legislature to Relieve Him of His Duties, is Absolutely Incorrect.

Has Brigadier-General D. M. Hogarth, M.L.A. for Port Arthur, resigned his seat in the house? He emphatically stated last night he had not, while, on the other hand, a despatch received by The World says:

When seen by The World, Major-General Hogarth said: "There is not one atom of truth in the report alleged to have emanated from Hon. Mr. Mills, who, it would seem, is in Port Arthur. If I had resigned, my first step as a matter of courtesy would be to notify the Conservative Association of my resignation, which I have not done; neither have I handed my resignation to the Speaker. Hon. Mr. Mills is misinformed."

How Member Resigns. Before a member of the legislature can resign his seat the rules provide that he must make a declaration in writing, before two witnesses, of a session of the house or in the interval between two sessions; or he may resign by giving notice of his intention from his place in the house, which notice shall be entered on the journals.

PRESBYTERY PROPOSES FOUR NEW CHURCHES

Plans for the erection of four new Presbyterian churches, in Mimico, New Toronto, Birchmount and Silverthorn, were announced at the meeting of the Presbytery of Toronto, held yesterday in the St. James Square Presbyterian Church. A committee was appointed and authorized to secure sites and commence construction at the earliest date possible.

To avoid "scrapping" certain downtown Presbyterian churches ten years hence or more to suit the changing needs of the community, a committee will be appointed for un-impeded church, social and community centre work. The opinion was expressed that individual effort by the downtown congregations was a wrong policy and that effective work could be carried on in the future only by co-operation.
