J. H. HAMILTON IS NEW CHAIRMAN

South End Improvement League Annual Meeting—Plans for the Summer.

With an active list of officers and committees the South End Improvement League is away to a good start for another year. The annual meeting was held last evening in the boys' club, with President Frank White in the chair. He was made honorary President, and James H. Hamilton, last year's first vice-president, took the chair. Dr. L. De V. Chipman, who has been a very generous supporter of the boys' club was made a vice-president.

The retiring president, Mr. White, reviewed the year's work, paying a very warm tribute to Mr. Hamilton, upon whom had fallen a heavy share of the direction of affairs, and also commending all the faithful workers in the league. Mr. Hamilton gave a review of the work of the boys' club, and Roy Cameron of the playground and skating rink activities. The reports of the secretary, A. H. Ellis, and the treasurer, Alex. Wilson, were also submitted, the latter showing that the year ended with a small balance on the right side.

All the reports showed that the last year had been more successful than any previous one, and that the boys' club especially had been placed upon a better working basis. Plans for the summer on the grounds were discussed, and the grounds will be put in condition as soon as possible. All baseball teams, senior and junior, seeking to play on the grounds, are asked to apply in writing to Roy Cameron, chairman of the grounds committee, before next Monday, in order that schedules may be arranged for the season. Mr. White announced that he planned to have athletic sports for the boys and girls of the south end once a month. Whether it will be possible to put an instructor on the grounds for the summer will depend on the finances, which at present are very low.

The election of officers and committees resulted as follows: President, J. H. Hamilton; 1st vice-president, Dr. L. De V. Chipman; 2nd vice-president, Charles Warren; treasurer, Alexander Wilson; secretary, A. H. Ellis; assistant to the secretary, Leslie Thomson; additional members of the executive, Oliver Thomson, Gordon Ward, Bert Waring, Isaac Mercer, William Lewis, and M. Belding; grounds committee, Roy Cameron, chairman; Charles Warren, W. O. Cheley, Oliver Thomson, George Dickson, William Frost, Bert Waring.

Frank White was elected honorary president.

GLEN FALLS TO HAVE COMMUNITY HALL

A Fine Entertainment Last Night—Lieut. Gov. Pugsley Donates Site.

The Glen Falls Community Club is a comparatively new but vigorous and helpful organization. Last night, under its auspices a most enjoyable entertainment was given in the factory, the use of which was given by Lieut. Gov. Pugsley, and the chairs loaned by the local church. There were thirty performers, all local talent, and despite the unpleasant weather the audiences numbered about three hundred. After the concert a dance was enjoyed, with Felix McNamee, floor manager. The whole affair was a great success and shows what can be done when the community spirit is aroused. Much credit is due Mrs. Charles Dixon for the efficient manner in which the entertainment was conducted. John Whalen was chairman. At the close of the concert the thirty performers appeared on the stage and sang the national anthem, the audience standing at attention.

It is the intention of the Community Club to build a hall on a fine site donated by Lieut. Gov. Pugsley. This club, though only about six months old, has seventy-eight members, who are all deeply interested in its work.

Engagement Announced.
